6 Act and the North Carolina Condominium Act to provide for greater protections and  
7 participation by homeowners in the governance of their homeowner associations; and

9 payment of assessments, caps on attorneys' fees in uncontested actions for the collection  
10 and the enforcement of a lien for dues or assessments, reduction in the maximum daily  
11 fine for violations of the covenants or the rules of the association adopted pursuant to

18 associations to maintain detailed records and to give owners access to these records; and

20 there are still significant issues that need to be addressed concerning the protection and  
21 participation of homeowners in the governance of their homeowner associations,
