SECTION 7.2.(c) The appropriate classification for placement of principals and assistant principals on the salary schedule, except for principals in alternative schools and in cooperative innovative high schools, shall be determined in accordance with the following schedule:

Classification	Number of Teachers Supervised
Assistant Principal	
Principal I	Fewer than 11 Teachers
Principal II	11-21 Teachers
Principal III	22-32 Teachers
Principal IV	33-43 Teachers
Principal V	44-54 Teachers
Principal VI	55-65 Teachers
Principal VII	66-100 Teachers
Principal VIII	More than 100 Teachers

The number of teachers supervised includes teachers and assistant principals paid from State funds only; it does not include teachers or assistant principals paid from non-State funds or the principal or teacher assistants.

The beginning classification for principals in alternative schools and in cooperative innovative high school programs shall be the Principal III level. Principals in alternative schools who supervise 33 or more teachers shall be classified according to the number of teachers supervised.

SECTION 7.2.(d) A principal shall be placed on the step on the salary schedule that reflects total number of years of experience as a certificated employee of the public schools and an additional step for every three years of experience as a principal. A principal or assistant principal shall also continue to receive any additional State-funded percentage increases earned for the 1997-1998, 1998-1999, and 1999-2000 school years for improvement in student performance or maintaining a safe and orderly school.

1 **SECTION 7.2.(e)** Principals and assistant principals with certification based
 2 on academic preparation at the six-year degree level shall be paid a salary supplement of
 3 one hundred twenty-six dollars (\$126.00) per month and at the doctoral degree level
 4 shall be paid a salary supplement of two hundred fifty-three dollars (\$253.00) per
 5 month.

6 **SECTION 7.2.(f)** Longevity pay for principals and assistant principals shall
 7 be as provided for State employees under the State Personnel Act.

8 **SECTION 7.2.(g)** If a principal is reassigned to a higher job classification

 10 with a larger number of State-allotted teachers, the principal shall be placed on the
 11 salary schedule as if the principal had served the principal's entire career as a principal
 12 at the higher job classification. If a principal is reassigned to a lower job classification
 13 because the principal is transferred to a school within a local school administrative unit
 14 with a smaller number of State-allotted teachers, the principal shall be placed on the
 15 salary schedule as if the principal had served the principal's entire career as a principal
 16 at the lower job classification. This subsection applies to all transfers on or after the
 17 effective date of this section, except transfers in school systems that have been created,
 18 or will be created, by merging two or more school systems. Transfers in these merged
 19 systems are exempt from the provisions of this subsection for one calendar year
 20 following the date of the merger.

22 improving student accountability, addressing the needs of at-risk students, and
23 establishing and maintaining safe schools.

24 **SECTION 7.6.(b)** The State Board of Education shall report this

54 land, and forestland in the county, as defined in G.S. 105-277.2,
55 from the total assessed real property valuation of the county,

- 1 b. Adjust the resulting amount by multiplying by a weighted

15 computed as follows:
16 a. Compute the percentage that the county per capita income is of
17 the State per capita income and weight the resulting percentage
18 by a factor of five-tenths,
19 b. Compute the percentage that the anticipated total county
20 revenue availability per student is of the anticipated State
21 average revenue availability per student and weight the
22 resulting percentage by a factor of four-tenths,
23 c. Compute the percentage that the county-adjusted property tax
24 base per square mile is of the State-adjusted property tax base
25 per square mile and weight the resulting percentage by a factor
26 of one-tenth,
27 d. Add the three weighted percentages to derive the county wealth
28 as a percentage of the State average wealth.
- 29 (9) "Effective county tax rate" means the actual county tax rate multiplied
30 by a weighted average of the three most recent annual sales assessment
31 ratio studies.

46 most recent State total of county current expense appropriations to
47 public schools, as reported by local boards of education in the audit
48 report filed with the Secretary of the Local Government Commission
49 pursuant to G.S. 115C-447.
- 50 (14) "State average adjusted property tax base per square mile" means the
51 sum of the county-adjusted property tax bases for all counties divided
52 by the number of square miles of land area in the State.
- 53 (14a) "Supplant" means to decrease local per student current expense
54 appropriations from one fiscal year to the next fiscal year.

1 (15) "Weighted average of the three most recent annual sales assessment
2 ratio studies" means the weighted average of the three most recent
3 annual sales assessment ratio studies in the most recent years for which
4 county current expense appropriations and adjusted property tax
5 valuations are available. If real property in a county has been revalued
6 one year prior to the most recent sales assessment ratio study, a
7 weighted average of the two most recent sales assessment ratios shall
8 be used. If property has been revalued the year of the most recent sales
9 assessment ratio study, the sales assessment ratio for the year of

11 **SECTION 7.6.(d)** Eligibility for Funds. – Except as provided in subsection
12 (h) of this section, the State Board of Education shall allocate these funds to local school
13 administrative units located in whole or in part in counties in which the county wealth
14 as a percentage of the State average wealth is less than one hundred percent (100%).

15 **SECTION 7.6.(e)** Allocation of Funds. – Except as provided in subsection
16 (g) of this section, the amount received per average daily membership for a county shall
17 be the difference between the State average current expense appropriations per student
18 and the current expense appropriations per student that the county could provide given
19 the county's wealth and an average effort to fund public schools. (To derive the current
20 expense appropriations per student that the county could be able to provide given the
21 county's wealth and an average effort to fund public schools, multiply the county wealth
22 as a percentage of State average wealth by the State average current expense
23 appropriations per student.) The funds for the local school administrative units located
24 in whole or in part in the county shall be allocated to each local school administrative
25 unit located in whole or in part in the county based on the average daily membership of
26 the county's students in the school units. If the funds appropriated for supplemental
27 funding are not adequate to fund the formula fully, each local school administrative unit
28 shall receive a pro rata share of the funds appropriated for supplemental funding.

29 **SECTION 7.6.(f)** Formula for Distribution of Supplemental Funding
30 Pursuant to This Section Only. – The formula in this section is solely a basis for
31 distribution of supplemental funding for low-wealth counties and is not intended to
32 reflect any measure of the adequacy of the educational program or funding for public
33 schools. The formula is also not intended to reflect any commitment by the General
34 Assembly to appropriate any additional supplemental funds for low-wealth counties.

35 **SECTION 7.6.(g)** Minimum Effort Required. – Counties that had effective
36 tax rates in the 1996-1997 fiscal year that were above the State average effective tax
37 rate but that had effective rates below the State average in the 1997-1998 fiscal year or
38 thereafter shall receive reduced funding under this section. This reduction in funding
39 shall be determined by subtracting the amount that the county would have received
40 pursuant to Section 17.1(g) of Chapter 507 of the 1995 Session Laws from the amount
41 that the county would have received if qualified for full funding and multiplying the
42 difference by ten percent (10%). This method of calculating reduced funding shall apply
43 one time only. This method of calculating reduced funding shall not apply in cases in
44 which the effective tax rate fell below the statewide average effective tax rate as a result
45 of a reduction in the actual property tax rate. In these cases, the minimum effort
46 required shall be calculated in accordance with Section 17.1(g) of Chapter 507 of the
47 1995 Session Laws. If the county documents that it has increased the per student
48 appropriation to the school current expense fund in the current fiscal year, the State
49 Board of Education shall include this additional per pupil appropriation when
50 calculating minimum effort pursuant to Section 17.1(g) of Chapter 507 of the 1995
51 Session Laws.

52 **SECTION 7.6.(h)** Nonsupplant Requirement. – A county in which a local
53 school administrative unit receives funds under this section shall use the funds to
54 supplement local current expense funds and shall not supplant local current expense
55 funds. For the 2007-2009 fiscal biennium, the State Board of Education shall not

1 allocate funds under this section to a county found to have used these funds to supplant
2 local per student current expense funds. The State Board of Education shall make a
3 finding that a county has used these funds to supplant local current expense funds in the
4 prior year, or the year for which the most recent data are available, if:

- 5 (1) The current expense appropriation per student of the county for the
6 current year is less than ninety-five percent (95%) of the average of the
7 local current expense appropriations per student for the three prior
8 fiscal years; and
- 9 (2) The county cannot show: (i) that it has remedied the deficiency in
10 funding or (ii) that extraordinary circumstances caused the county to
11 supplant local current expense funds with funds allocated under this
12 section.

13 The State Board of Education shall adopt rules to implement this section.

14 **SECTION 7.6.(i)** Reports. – The State Board of Education shall report to the
15 Joint Legislative Education Oversight Committee prior to May 1, 2008, if it determines
16 that counties have supplanted funds.

17 **SECTION 7.6.(j)** Department of Revenue Reports. – The Department of
18 Revenue shall provide to the Department of Public Instruction a preliminary report for
19 the current fiscal year of the assessed value of the property tax base for each county
20 prior to March 1 of each year and a final report prior to May 1 of each year. The reports
21 shall include for each county the annual sales assessment ratio and the taxable values of
22 (i) total real property, (ii) the portion of total real property represented by the
23 present-use value of agricultural land, horticultural land, and forestland as defined in
24 G.S. 105-277.2, (iii) property of public service companies determined in accordance
25 with Article 23 of Chapter 105 of the General Statutes, and (iv) personal property.

26 27 **SMALL SCHOOL SYSTEM SUPPLEMENTAL FUNDING**

28 **SECTION 7.7.(a)** Funds for Small School Systems. – Except as provided in
29 subsection (b) of this section, the State Board of Education shall allocate funds
30 appropriated for small school system supplemental funding (i) to each county school
31 administrative unit with an average daily membership of fewer than 3,175 students and
32 (ii) to each county school administrative unit with an average daily membership from
33 3,175 to 4,000 students if the county in which the local school administrative unit is
34 located has a county-adjusted property tax base per student that is below the
35 State-adjusted property tax base per student and if the total average daily membership of
36 all local school administrative units located within the county is from 3,175 to 4,000
37 students. The allocation formula shall:

- 38 (1) Round all fractions of positions to the next whole position.
- 39 (2) Provide five and one-half additional regular classroom teachers in
40 counties in which the average daily membership per square mile is
41 greater than four, and seven additional regular classroom teachers in
42 counties in which the average daily membership per square mile is
43 four or fewer.
- 44 (3) Provide additional program enhancement teachers adequate to offer
45 the standard course of study.
- 46 (4) Change the duty-free period allocation to one teacher assistant per 400
47 average daily membership.
- 48 (5) Provide a base for the consolidated funds allotment of at least seven
49 hundred forty thousand seventy-four dollars (\$740,074), excluding
50 textbooks for the 2007-2008 fiscal year and a base of seven hundred
51 forty thousand seventy-four dollars (\$740,074) for the 2008-2009
52 fiscal year.
- 53 (6) Allot vocational education funds for grade 6 as well as for grades 7-12.

54 If funds appropriated for each fiscal year for small school system
55 supplemental funding are not adequate to fully fund the program, the State Board of

1 Education shall reduce the amount allocated to each county school administrative unit
2 on a pro rata basis. This formula is solely a basis for distribution of supplemental
3 funding for certain county school administrative units and is not intended to reflect any
4 measure of the adequacy of the educational program or funding for public schools. The
5 formula is also not intended to reflect any commitment by the General Assembly to
6 appropriate any additional supplemental funds for such county administrative units.

7 **SECTION 7.7.(b) Nonsupplant Requirement.** – A county in which a local
8 school administrative unit receives funds under this section shall use the funds to
9 supplement local current expense funds and shall not supplant local current expense
10 funds. For the 2007-2009 fiscal biennium, the State Board of Education shall not
11 allocate funds under this section to a county found to have used these funds to supplant
12 local per student current expense funds. The State Board of Education shall make a
13 finding that a county has used these funds to supplant local current expense funds in the
14 prior year, or the year for which the most recent data are available, if:

- 15 (1) The current expense appropriation per student of the county for the
16 current year is less than ninety-five percent (95%) of the average of the
17 local current expense appropriations per student for the three prior
18 fiscal years; and
- 19 (2) The county cannot show: (i) that it has remedied the deficiency in
20 funding or (ii) that extraordinary circumstances caused the county to
21 supplant local current expense funds with funds allocated under this
22 section.

23 The State Board of Education shall adopt rules to implement this section.

24 **SECTION 7.7.(c) Phase-Out Provisions.** – If a local school administrative
25 unit becomes ineligible for funding under this formula because of (i) an increase in the
26 population of the county in which the local school administrative unit is located or (ii)
27 an increase in the county-adjusted property tax base per student of the county in which
28 the local school administrative unit is located, funding for that unit shall be continued
29 for five years after the unit becomes ineligible.

30 **SECTION 7.7.(d) Definitions.** – As used in this section:

2 weighted average of the two most recent sales assessment ratios shall
3 be used. If property has been revalued during the year of the most
4 recent sales assessment ratio study, the sales assessment ratio for the
5 year of revaluation shall be used.

6 **SECTION 7.7.(e)** Reports. – The State Board of Education shall report to
7 the Joint Legislative Education Oversight Committee prior to May 1, 2008, if it
8 determines that counties have supplanted funds.

9 **SECTION 7.7.(f)** Use of Funds. – Local boards of education are encouraged
10 to use at least twenty percent (20%) of the funds they receive pursuant to this section to
11 improve the academic performance of children who are performing at Level I or II on
12 either reading or mathematics end-of-grade tests in grades 3-8 and children who are
13 performing at Level I or II on the writing tests in grades 4 and 7. Local boards of
14 education shall report to the State Board of Education on an annual basis on funds used

16 Legislative Education Oversight Committee. These reports shall specify how these
17 funds were targeted and used to implement specific improvement strategies of each
18 local school administrative unit and its schools such as teacher recruitment, closing the
19 achievement gap, improving student accountability, addressing the needs of at-risk
20 students, and establishing and maintaining safe schools.

21 **DISADVANTAGED STUDENT SUPPLEMENTAL FUNDING**

22 **SECTION 7.8.(a)** Funds are appropriated in this act to address the capacity
23 needs of local school administrative units to meet the needs of disadvantaged students.
24 Each local school administrative unit shall use funds allocated to it for disadvantaged
25 student supplemental funding to implement a plan jointly developed by the unit and the
26 LEA Assistance Program team. The plan shall be based upon the needs of students in
27 the unit not achieving grade level proficiency. The plan shall detail how these funds
28 shall be used in conjunction with all other supplemental funding allotments such as
29 Low-Wealth, Small County, At-Risk Student Services/Alternative Schools, and
30 Improving Student Accountability, to provide instructional and other services that meet
31 the educational needs of these students. Prior to the allotment of disadvantaged student
32 supplemental funds, the plan shall be approved by the State Board of Education.

33 Funds received for disadvantaged student supplemental funding shall be used,
34 consistent with the policies and procedures adopted by the State Board of Education
35 only to:

- 36 (1) Provide instructional positions or instructional support positions and/or
37 professional development;
- 38 (2) Provide intensive in-school and/or after-school remediation;
- 39 (3) Purchase diagnostic software and progress monitoring tools; and
- 40 (4) Provide funds for teacher bonuses and supplements. The State Board
41 of Education shall set a maximum percentage of the funds that may be
42 used for this purpose.

43 The State Board of Education may require districts receiving funding under
44 the Disadvantaged Student Supplemental Fund to purchase the Education Value Added
45 Assessment System in order to provide in-depth analysis of student performance and
46 help identify strategies for improving student achievement. This data shall be used
47 exclusively for instructional and curriculum decisions made in the best interest of
48 children and for professional development for their teachers and administrators.

49 **SECTION 7.8.(b)** Beginning in the 2007-2008 fiscal year, funds
50 appropriated to a local education agency (LEA) for disadvantaged student supplemental
51 funding (DSSF) shall be allotted based on: (i) the LEA's eligible DSSF population and
52 (ii) the difference between a teacher-to-student ratio of 1:21 and the following
53 teacher-to-student ratios:
54

- 1 (1) For counties with wealth greater than ninety percent (90%) of the
2 statewide average, a ratio of 1:20;
- 3 (2) For counties with wealth not less than eighty percent (80%) and not
4 greater than ninety percent (90%) of the statewide average, a ratio of
5 1:19.5;
- 6 (3) For counties with wealth less than eighty percent (80%) of the
7 statewide average, a ratio of 1:19; and
- 8 (4) For LEAs receiving DSSF funds in 2005-2006, a ratio of 1:16.

9 These LEAs shall receive no less than the DSSF amount allotted in
10 2005-2006. For the purpose of this subsection, wealth shall be calculated under the
11 low-wealth supplemental formula.

15 identifying and providing services to students with limited proficiency in the English
16 language.

17 The State Board shall allocate these funds to local school administrative units
18 and to charter schools under a formula that takes into account the average percentage of
19 students in the units or the charters over the past three years who have limited English
20 proficiency. The State Board shall allocate funds to a unit or a charter school only if (i)
21 average daily membership of the unit or the charter school includes at least 20 students
22 with limited English proficiency or (ii) students with limited English proficiency
23 comprise at least two and one-half percent (2.5%) of the average daily membership of
24 the unit or charter school. For the portion of the funds that is allocated on the basis of
25 the number of identified students, the maximum number of identified students for whom
26 a unit or charter school receives funds shall not exceed ten and six-tenths percent
27 (10.6%) of its average daily membership.

28 Local school administrative units shall use funds allocated to them to pay for
29 classroom teachers, teacher assistants, tutors, textbooks, classroom
30 materials/instructional supplies/equipment, transportation costs, and staff development
31 of teachers for students with limited English proficiency. A county in which a local
32 school administrative unit receives funds under this section shall use the funds to
33 supplement local current expense funds and shall not supplant local current expense
34 funds.

35 **SECTION 7.9.(b)** The Department of Public Instruction shall prepare a
36 current head count of the number of students classified with limited English proficiency
37 by December 1 of each year. Students in the head count shall be assessed at least once
38 every three years to determine their level of English proficiency. A student who scores
39 "superior" on the standard English language proficiency assessment instrument used in
40 this State shall not be included in the head count of students with limited English
41 proficiency.
42

13 membership, regardless of the number of children identified as academically or
14 intellectually gifted in the unit. The State Board shall allocate funds for no more than
15 58,470 children for the 2007-2008 school year.

16 The dollar amounts allocated under this section for academically or

25 by the State's end-of-grade tests. The State Board of Education shall allocate these funds
26 to LEAs based on the number of students who score at Level I or Level II on either
27 reading or mathematics end-of-grade tests in grades 3-8. Funds in the allocation
28 category shall be used to improve the academic performance of (i) students who are
29 performing at Level I or II on either reading or mathematics end-of-grade tests in grades
30 3-8 or (ii) students who are performing at Level I or II on the writing tests in grades 4

41 funds to ensure that every student is performing at or above grade level in reading and
42 mathematics.

43 These funds shall be allocated to local school administrative units for the

SEAA may make recommendations for redistribution of funds to The University of North Carolina, Department of Administration, and/or the President of the Community College System regarding their respective scholarship programs, who then may authorize redistribution of unutilized funds for a particular fiscal year.

SECTION 9.4.(c) There is appropriated from the Escheat Fund to the Board of Governors of The University of North Carolina the sum of one million one hundred fifty-seven thousand dollars (\$1,157,000) for the 2007-2008 and 2008-2009 fiscal years to be allocated to the SEAA for need-based student financial aid to be used in accordance with G.S. 116B-7 and this act. 23 them to obtain an education beyond the high school level at certain postsecondary
24 institutions in North Carolina without incurring student loans to meet their financial
25 need during the first two years of their postsecondary education. It is the intent of the
26 General Assembly that the postsecondary institutions enrolling eligible students who
27 receive the grants will, to the extent practicable, assist the students in securing part-time

41 ~~others having medical subrogation rights or medical liens against the amount received~~
42 ~~or recovered, but the amount paid to the Department shall not exceed one third of the~~
43 ~~gross amount obtained or recovered.~~

45 minor, whether or not the beneficiary is represented by an attorney, for damages arising
46 out of any accident or injury for which medical assistance benefits have been paid shall
47 include a claim for all medical payments made under this Part.

48 Any proceeds obtained by a beneficiary not represented by an attorney, including a
49 beneficiary who is a minor, by settlement, release, or otherwise from a third party by
50 reason of injury or death, shall be designated as medical damages payable to the
51 Department up to the full amount of assistance paid on behalf of the beneficiary by the
52 Department, or shall be designated as medical damages payable to the Department up to
53 two-thirds of the gross amount of the recovery, whichever is less.

54 Any proceeds obtained by a beneficiary who is represented by an attorney, including
55 a beneficiary who is a minor, by settlement, release, or otherwise from a third party by

1 reason of injury or death, shall be designated as medical damages payable to the
2 Department up to the full amount of assistance paid on behalf of the beneficiary by the
3 Department or up to one-third of the gross amount of the recovery, whichever is less.
4 Any attorney representing a beneficiary, including a beneficiary who is a minor, shall
5 distribute to the Department the amount owed the Department under this Part as
6 prorated with the claims of all others having medical subrogation rights or medical liens
7 against the amount received or recovered.

8 It shall be the duty of the beneficiary, including a beneficiary who is a minor, any

13 net recovery under this section. Their shares shall be promptly paid under this section
14 and their proportionate parts of such sum shall be determined in accordance with the

16 recipient."

17 **SECTION 10.24.(b)** G.S. 135-40.13A reads as rewritten:

18 **"§ 135-40.13A. Liability of third person; right of subrogation; right of first**
19 **recovery.**

20 (a) The Plan or the Health Insurance Program for Children, otherwise known as
21 NC Health Choice shall have the right of subrogation upon all of the Plan member's or
22 NC Health Choice recipient's right to recover from a liable third party for payment made
23 under the Plan, Plan or NC Health Choice, for all medical expenses, including provider,
24 hospital, surgical, or prescription drug expenses, to the extent those payments are
25 related to an injury caused by a liable third party. Those benefits subrogated on behalf
26 of NC Health Choice shall be returned to the Division of Medical Assistance. The Plan
27 member or NC Health Choice recipient shall do nothing to prejudice these rights. The
28 Plan or NC Health Choice has the right to first recovery on any amounts so recovered,
29 whether by the Plan or the Plan member, or by NC Health Choice or the NC Health
30 Choice recipient, and whether recovered by litigation, arbitration, mediation, settlement,
31 or otherwise. Notwithstanding any other provision of law to the contrary, the recovery
32 limitation set forth in G.S. 28A-18-2 shall not apply to the Plan's or NC Health Choice's
33 right of subrogation of Plan members, members or recipients of NC Health Choice.

34 (b) If the Plan is precluded from exercising its right of subrogation, it may
35 exercise its rights of recovery pursuant to G.S. 135-40.13(g). If the Plan or NC Health
36 Choice recovers damages from a liable third party in excess of the claims paid, any
37 excess will be paid to the member, member or NC Health Choice recipient, less a
38 proportionate share of the costs of collection.

39 (c) In the event a Plan member or a Health Choice recipient recovers any
40 amounts from a liable third party to which the Plan or NC Health Choice is entitled
41 under this section, the Plan or NC Health Choice may recover the amounts directly from
42 the Plan member, Member or NC Health Choice recipient. The Plan or NC Health
43 Choice has a lien, for not more than the value of claims paid related to the liability of
44 the third party, on any damages subsequently recovered against the liable third party. If
45 the Plan member or NC Health Choice recipient fails to pursue the remedy against a
46 liable third party, the Plan or NC Health Choice is subrogated to the rights of the Plan
47 member or NC Health Choice recipient and is entitled to enforce liability in the Plan's or
48 NC Health Choice's own name or in the name of the Plan member or NC Health Choice
49 recipient for the amount paid by the Plan, Plan or NC Health Choice.

50 (d) In no event shall the Plan's lien exceed fifty percent (50%) of the total
51 damages recovered by the Plan member, exclusive of the Plan member's reasonable
52 costs of collection as determined by the Plan in the Plan's sole discretion. The decision
53 by the Plan as to the reasonable cost of collection is conclusive and is not a "final
54 agency decision" for purposes of a contested case under Chapter 150B of the General
55 Statutes. Notice of the Plan's lien or right to recovery shall be presumed when a Plan

1 member is represented by an attorney, and the attorney shall disburse proceeds pursuant
2 to this section.

3 (e) Any proceeds obtained by an NC Health Choice recipient not represented by
4 an attorney by settlement, release, or otherwise from a third party by reason of injury or
5 death, shall be designated as medical damages payable to the Division of Medical
6 Assistance, Department of Health and Human Services ("Division") up to the full
7 amount of assistance paid on behalf of the NC Health Choice recipient by the Division,
8 or shall be designated as medical damages payable to the Division up to two-thirds of
9 the gross amount of the recovery, whichever is less.

10 Any proceeds obtained by an NC Health Choice recipient who is represented by an
11 attorney by settlement, release, or otherwise from a third party by reason of injury or
12 death, shall be designated as medical damages payable to the Division up to the full
13 amount of assistance paid on behalf of the NC Health Choice recipient by the
14 Department or up to one-third of the gross amount of the recovery, whichever is less.
15 Any attorney representing an NC Health Choice recipient shall distribute to the
16 Department the amount owed the Department under this section as prorated with the
17 claims of all others having medical subrogation rights or medical liens against the
18 amount received or recovered."

19 **SECTION 10.24.(c)** This section becomes effective July 1, 2007.

20 SENIOR CENTER OUTREACH

21 **SECTION 10.25.(a)** Funds appropriated to the Department of Health and
22 Human Services, Division of Aging and Adult Services, for the 2007-2009 fiscal
23 biennium, shall be used by the Division of Aging and Adult Services to enhance senior
24 center programs as follows:

- 25 (1) To expand the outreach capacity of senior centers to reach unserved or
26 underserved areas; or
27 (2) To provide start-up funds for new senior centers.

28 All of these funds shall be allocated by October 1 of each fiscal year.

29 **SECTION 10.25.(b)** Prior to funds being allocated pursuant to this section
30 for start-up funds for a new senior center, the county commissioners of the county in
31 which the new center will be located shall:

- 32 (1) Formally endorse the need for such a center;
33 (2) Formally agree on the sponsoring agency for the center; and
34 (3) Make a formal commitment to use local funds to support the ongoing
35 operation of the center.

36 **SECTION 10.25.(c)** State funding shall not exceed seventy-five percent
37 (75%) of reimbursable costs.

38 STATE-COUNTY SPECIAL ASSISTANCE

39 **SECTION 10.26.(a)** The eligibility of Special Assistance recipients residing
40 in adult care homes on August 1, 1995, shall not be affected by an income reduction in
41 the Special Assistance eligibility criteria resulting from adoption of the Rate Setting
42 Methodology Report and Related Services, providing these recipients are otherwise
43 eligible. The maximum monthly rate for these residents in adult care home facilities
44 shall be one thousand two hundred thirty-one dollars (\$1,231) per month per resident.

45 **SECTION 10.26.(b)** Effective January 1, 2007, the maximum monthly rate
46 for residents in adult care home facilities shall be one thousand one hundred forty-eight
47 dollars (\$1,148) per month per resident unless adjusted by the Department in
48 accordance with subsection (d) of this section.

49 **SECTION 10.26.(c)** The maximum monthly rate for residents in
50 Alzheimer/Dementia special care units shall be one thousand five hundred fifteen
51 dollars (\$1,515) per month per resident unless adjusted by the Department in
52 accordance with subsection (d) of this section.
53
54

1 **SECTION 10.26.(d)** Notwithstanding any other provision of this section, the
2 Department of Health and Human Services shall review activities and costs related to
3 the provision of care in adult care homes and shall determine what costs may be
4 considered to properly maximize allowable reimbursement available through Medicaid
5 personal care services for adult care homes (ACH-PCS) under federal law. As
6 determined, and with any necessary approval from the Centers for Medicare and
7 Medicaid Services (CMS), and the approval of the Office of State Budget and
8 Management, the Department may transfer necessary funds from the State-County
9 Special Assistance program within the Division of Social Services to the Division of
10 Medical Assistance and may use those funds as State match to draw down federal
11 matching funds to pay for such activities and costs under Medicaid's personal care
12 services for adult care homes (ACH-PCS), thus maximizing available federal funds. The
13 established rate for State-County Special Assistance set forth in subsections (b) and (c)
14 of this section shall be adjusted by the Department to reflect any transfer of funds from
15 the Division of Social Services to the Division of Medical Assistance and related
16 transfer costs and responsibilities from State-County Special Assistance to the Medicaid
17 personal care services for adult care homes (ACH-PCS). Subject to approval by the
18 Centers for Medicare and Medicaid Service (CMS) and prior to implementing this
19 section, the Department may disregard a limited amount of income for individuals
20 whose countable income exceeds the adjusted State-County Special Assistance rate. The
21 amount of the disregard shall not exceed the difference between the Special Assistance
22 rate prior to the adjustment and the Special Assistance rate after the adjustment and
23 shall be used to pay a portion of the cost of the ACH-PCS and reduce the Medicaid
24 payment for the individual's personal care services provided in an adult care home. In
25 no event shall the reimbursement for services through the ACH-PCS exceed the average
26 cost of the services as determined by the Department from review of cost reports as
27 required and submitted by adult care homes. The Department shall report any transfers
28 of funds and modifications of rates to the House of Representatives Appropriations
29 Subcommittee on Health and Human Services, the Senate Appropriations Committee on
30 Health and Human Services, and the Fiscal Research Division.

31 **SECTION 10.26.(e)** Effective July 1, 2007, the Department of Health and
32 Human Services shall recommend rates for State-County Special Assistance and for
33 Adult Care Home Personal Care Services. The Department may recommend separate
34 rates for residents of special care units. The Department shall recommend rates using
35 appropriate cost modeling methodology and cost reports submitted by adult care homes
36 that receive State-County Special Assistance funds and shall ensure that cost reporting
37 is done for State-County Special Assistance and Adult Care Home Personal Care
38 Services to the same standards as apply to other residential service providers.
39

40 **SPECIAL ASSISTANCE IN-HOME**

41 **SECTION 10.27(a)** The Department of Health and Human Services may use
42 funds from the existing State-County Special Assistance for Adults budget to provide
43 Special Assistance payments to eligible individuals in in-home living arrangements.
44 These payments may be made for up to 1,500 individuals during the 2007-2008 fiscal
45 year and the 2008-2009 fiscal year. The standard monthly payment to individuals
46 enrolled in the Special Assistance in-home program shall be seventy-five percent (75%)
47 of the monthly payment the individual would receive if the individual resided in an
48 adult care home and qualified for Special Assistance, except if a lesser payment amount
49 is appropriate for the individual as determined by the local case manager. For State
50 fiscal year 2007-2008, qualified individuals shall not receive payments at rates less than
51 they would have been eligible to receive in State fiscal year 2006-2007. The Department
52 shall implement Special Assistance in-home eligibility policies and procedures to assure
53 that in-home program participants are those individuals who need and, but for the
54 in-home program, would seek placement in an adult care home facility. The
55 Department's policies and procedures shall include the use of a functional assessment.

1 The Department shall make this in-home option available to all counties on a voluntary
2 basis. To the maximum extent possible, the Department shall consider geographic
3 balance in the dispersion of payments to individuals across the State.
4

5 **QUALITY IMPROVEMENT CONSULTATION PROGRAM FOR ADULT** 6 **CARE HOMES**

7 **SECTION 10.28.(a)** The Department's Division of Aging and Adult
8 Services shall develop a Quality Improvement Consultation Program for Adult Care
9 Homes. The purpose of the Program is to promote better care and improve quality of
10 life in a safe environment for residents in adult care homes through consultation and
11 assistance with adult care home providers. The county departments of social services
12 shall be responsible for implementation of the Program with all adult care homes
13 located in the respective county, based on a timetable for statewide implementation.

14 The Division of Aging and Adult Services shall consult with adult care home
15 providers, county departments of social services, consumer advocates, and other
16 interested stakeholders and parties in the development of the Quality Improvement
17 Consultation Program for Adult Care Homes.

18 The Program will address the following topics:

- 19 (1) Principles and philosophies that are resident-centered and promote
20 independence, dignity, and choice for residents;
- 21 (2) Approaches to develop continuous quality improvement with a focus
22 on resident satisfaction and optimal outcomes;
- 23 (3) Dissemination of best practice models that have been used successfully
24 elsewhere;
- 25 (4) A determination of the availability of standardized instruments, and
26 their use to the extent possible, to assess and measure adult care home
27 performance according to quality of life indicators;
- 28 (5) Utilization of quality improvement plans for adult care homes that
29 identify and resolve issues that adversely affect quality of care and
30 services to residents. The plans include agreed upon time frames for
31 completion of improvements and identification of needed resources;
- 32 (6) Training required to equip county departments of social services' staff
33 to implement the Program;
- 34 (7) A distinction of roles between the regulatory role of the Department's
35 Division of Facility Services and the quality improvement consultation

2 consider the availability of other funds for the agency, the incidence of poverty or
3 indigent clients served, arrangements for after-hours care, and collaboration with the
4 applicant's community hospital and other safety net organizations.

6 **DIVISION OF INFORMATION RESOURCE MANAGEMENT PROJECT**
7 **MANAGEMENT**

8 **SECTION 10.32.** All project management positions within the Division of
9 Information Resource Management are exempt positions as that term is defined in

8 their current county designation through September 30, 2007.

9 10 **INTENSIVE FAMILY PRESERVATION SERVICES FUNDING AND** 11 **PERFORMANCE ENHANCEMENTS**

12 **SECTION 10.39.(a)** Notwithstanding the provisions of G.S. 143B-150.6,
13 the Intensive Family Preservation Services (IFPS) Program shall provide intensive
14 services to children and families in cases of abuse, neglect, and dependency where a
15 child is at imminent risk of removal from the home and to children and families in cases
16 of abuse where a child is not at imminent risk of removal. The Program shall be
17 developed and implemented statewide on a regional basis. The IFPS shall ensure the
18 application of standardized assessment criteria for determining imminent risk and clear
19 criteria for determining out-of-home placement.

20 **SECTION 10.39.(b)** The Department of Health and Human Services shall
21 require that any program or entity that receives State, federal, or other funding for the
22 purpose of Intensive Family Preservation Services shall provide information and data
23 that allows for:

- 24 (1) An established follow-up system with a minimum of six months of
25 follow-up services.

39 providing the required information specified in subsection (b) of this section. The

41 42 **CHILD CARE ALLOCATION FORMULA**

43 **SECTION 10.40.(a)** The Department of Health and Human Services shall
44 allocate child care subsidy voucher funds to pay the costs of necessary child care for
45 minor children of needy families. The mandatory thirty percent (30%) Smart Start
46 subsidy allocation under G.S. 143B-168.15(g) shall constitute the base amount for each
47 county's child care subsidy allocation. The Department of Health and Human Services
48 shall use the following method when allocating federal and State child care funds, not
49 including the aggregate mandatory thirty percent (30%) Smart Start subsidy allocation:

- 50 (1) Funds shall be allocated based upon the projected cost of serving
51 children in a county under age 11 in families with all parents working
52 who earn less than seventy-five percent (75%) of the State median
53 income.
- 54 (2) No county's allocation shall be less than ninety percent (90%) of its
55 State fiscal year 2001-2002 initial child care subsidy allocation.

1 **SECTION 10.40.(b)** The Department of Health and Human Services may
 2 reallocate unused child care subsidy voucher funds in order to meet the child care needs
 3 of low-income families. Any reallocation of funds shall be based upon the expenditures
 4 of all child care subsidy voucher funding, including Smart Start funds, within a county.

5 **SECTION 10.40.(c)** Notwithstanding subsection (a) of this section, the
 6 Department of Health and Human Services shall allocate up to twelve million dollars
 7 (\$12,000,000) in federal block grant funds and State funds appropriated for fiscal years
 8 2007-2008 and 2008-2009 for child care services. These funds shall be allocated to
 9 prevent termination of child care services or for other specific needs as determined by
 10 the department.

11
 12 **CHILD CARE FUNDS MATCHING REQUIREMENT**

13 **SECTION 10.41.** No local matching funds may be required by the
 14 Department of Health and Human Services as a condition of any locality's receiving its
 15 initial allocation of child care funds appropriated by this act unless federal law requires
 16 a match. Additional funds above twenty-five thousand dollars (\$25,000) that are
 17 reallocated by the department to local purchasing agencies beyond their initial
 18 allocation shall require a fifteen percent (15%) local match in order to receive these
 19 reallocated funds. Matching requirements shall not apply when funds are allocated
 20 because of a disaster as defined in G.S. 166A-4(1).

21
 22 **CHILD CARE REVOLVING LOAN**

23 **SECTION 10.42.** Notwithstanding any law to the contrary, funds budgeted
 24 for the Child Care Revolving Loan Fund may be transferred to and invested by the
 25 financial institution contracted to operate the Fund. The principal and any income to the
 26 Fund may be used to make loans, reduce loan interest to borrowers, serve as collateral
 27 for borrowers, pay the contractor's cost of operating the Fund, or pay the Department's
 28 cost of administering the program.

29
 30 **CHILD CARE SUBSIDY RATES**

31 **SECTION 10.43.(a)** The maximum gross annual income for initial
 32 eligibility, adjusted biennially, for subsidized child care services shall be seventy-five
 33 percent (75%) of the State median income, adjusted for family size.

34 **SECTION 10.43.(b)** Fees for families who are required to share in the cost
 35 of care shall be established based on a percent of gross family income and adjusted for
 36 family size. Fees shall be determined as follows:

FAMILY SIZE	PERCENT OF GROSS FAMILY INCOME
1-3	10%
4-5	9%
6 or more	8%.

41 **SECTION 10.43.(c)** Payments for the purchase of child care services for
 42 low-income children shall be in accordance with the following requirements:

- 43 (1) Religious-sponsored child care facilities operating pursuant to
 44 G.S. 110-106 and licensed child care centers and homes that meet the
 45 minimum licensing standards that are participating in the subsidized
 46 child care program shall be paid the one-star county market rate or the
 47 rate they charge privately paying parents, whichever is lower.
- 48 (2) Licensed child care centers and homes with two or more stars shall
 49 receive the market rate for that rated license level for that age group or
 50 the rate they charge privately paying parents, whichever is lower.
- 51 (3) Nonlicensed homes shall receive fifty percent (50%) of the county
 52 market rate or the rate they charge privately paying parents, whichever
 53 is lower.
- 54 (4) Maximum payment rates shall also be calculated periodically by the
 55 Division of Child Development for transportation to and from child

1 care provided by the child care provider, individual transporter, or
2 transportation agency, and for fees charged by providers to parents.
3 These payment rates shall be based upon information collected by
4 market rate surveys.

5 **SECTION 10.43.(d)** Provisions of payment rates for child care providers in
6 counties that do not have at least 50 children in each age group for center-based and
7 home-based care are as follows:

8 (1) Except as applicable in subdivision (2) of this subsection, payment
9 rates shall be set at the statewide or regional market rate for licensed
10 child care centers and homes.

11 (2) If it can be demonstrated that the application of the statewide or
12 regional market rate to a county with fewer than 50 children in each
13 age group is lower than the county market rate and would inhibit the
14 ability of the county to purchase child care for low-income children,
15 then the county market rate may be applied.

16 **SECTION 10.43.(e)** A market rate shall be calculated for child care centers
17 and homes at each rated license level for each county and for each age group or age
18 category of enrollees and shall be representative of fees charged to parents for each age
19 group of enrollees within the county. The Division of Child Development shall also
20 calculate a statewide rate and regional market rates for each rated license level for each
21 age category.

22 **SECTION 10.43.(f)** Facilities licensed pursuant to Article 7 of Chapter 110
23 of the General Statutes and facilities operated pursuant to G.S. 110-106 may participate
24 in the program that provides for the purchase of care in child care facilities for minor
25 children of needy families. No separate licensing requirements shall be used to select
26 facilities to participate. In addition, child care facilities shall be required to meet any
27 additional applicable requirements of federal law or regulations. Child care
28 arrangements exempt from State regulation pursuant to Article 7 of Chapter 110 of the
29 General Statutes shall meet the requirements established by other State law and by the
30 Social Services Commission.

31 County departments of social services or other local contracting agencies
32 shall not use a provider's failure to comply with requirements in addition to those
33 specified in this subsection as a condition for reducing the provider's subsidized child
34 care rate.

35 **SECTION 10.43.(g)** Payment for subsidized child care services provided
36 with Work First Block Grant funds shall comply with all regulations and policies issued
37 by the Division of Child Development for the subsidized child care program.

38 **SECTION 10.43.(h)** Noncitizen families who reside in this State legally
39 shall be eligible for child care subsidies if all other conditions of eligibility are met. If
40 all other conditions of eligibility are met, noncitizen families who reside in this State
41 illegally shall be eligible for child care subsidies only if at least one of the following
42 conditions is met:

43 (1) The child for whom a child care subsidy is sought is receiving child
44 protective services or foster care services.

45 (2) The child for whom a child care subsidy is sought is developmentally
46 delayed or at risk of being developmentally delayed.

47 (3) The child for whom a child care subsidy is sought is a citizen of the
48 United States.

52 **SECTION 10.44.(a)** Administrative costs shall be equivalent to, on an
53 average statewide basis for all local partnerships, not more than eight percent (8%) of
54 the total statewide allocation to all local partnerships. For purposes of this subsection,
55 administrative costs shall include costs associated with partnership oversight, business

1 and financial management, general accounting, human resources, budgeting,
2 purchasing, contracting, and information systems management.

3 **SECTION 10.44.(b)** The North Carolina Partnership for Children, Inc., and
4 all local partnerships shall use competitive bidding practices in contracting for goods
5 and services on contract amounts as follows:

- 6 (1) For amounts of five thousand dollars (\$5,000) or less, the procedures
7 specified by a written policy to be developed by the Board of Directors
8 of the North Carolina Partnership for Children, Inc.
- 9 (2) For amounts greater than five thousand dollars (\$5,000), but less than
10 fifteen thousand dollars (\$15,000), three written quotes.
- 11 (3) For amounts of fifteen thousand dollars (\$15,000) or more, but less
12 than forty thousand dollars (\$40,000), a request for proposal process.

15 **SECTION 10.44.(c)** The North Carolina Partnership for Children, Inc., and
16 all local partnerships shall, in the aggregate, be required to match no less than fifty
17 percent (50%) of the total amount budgeted for the program in each fiscal year of the
18 biennium as follows: contributions of cash equal to at least fifteen percent (15%) and

20 requirement of twenty percent (20%) for each fiscal year. The North Carolina
21 Partnership for Children, Inc., may carry forward any amount in excess of the required
22 match for a fiscal year in order to meet the match requirement of the succeeding fiscal
23 year. Only in-kind contributions that are quantifiable shall be applied to the in-kind
24 match requirement. Volunteer services may be treated as an in-kind contribution for the
25 purpose of the match requirement of this subsection. Volunteer services that qualify as
26 professional services shall be valued at the fair market value of those services. All other
27 volunteer service hours shall be valued at the statewide average wage rate as calculated
28 from data compiled by the Employment Security Commission in the Employment and
29 Wages in North Carolina Annual Report for the most recent period for which data are
30 available. Expenses, including both those paid by cash and in-kind contributions,
31 incurred by other participating non-State entities contracting with the North Carolina
32 Partnership for Children, Inc., or the local partnerships, also may be considered
33 resources available to meet the required private match. In order to qualify to meet the
34 required private match, the expenses shall:

- 35 (1) Be verifiable from the contractor's records.
- 36 (2) If in-kind, other than volunteer services, be quantifiable in accordance
37 with generally accepted accounting principles for nonprofit

 5 the end of the 10-year period unless notice is given in writing to the Secretary of intent

Refunding bonds and notes issued pursuant to Section 12(e) of this act shall not be included in the limitation on the aggregate amount of bonds and notes that may be issued pursuant to this act.

SECTION 22.6.(f) Use of Clean Water Bond and note proceeds. –

(a) The funds to be derived from the sale of the Clean Water Bonds authorized by this act are sufficient to meet no more than a fraction of the needs that now exist and will arise in the immediate future. For this reason, the Department of Natural Resources shall use the criteria indicated in G.S. 159G-23 as the primary consideration in granting and loaning funds.

(b) Preference will be given to projects that include consolidation, cooperation, interconnections, and regional linkages among small systems to achieve operational efficiencies, address environmental issues, promote water conservation, and improve water quality.

(c) Only systems with water and sewer rates equal to or greater than one and one-half percent (1.5%) of median household income are eligible for grants.

(d) No more than three million dollars (\$3,000,000) shall be provided as a grant or loan to an individual water or wastewater system. A water system and a wastewater system are considered separate units when applying this maximum.

(e) The proceeds shall be transferred to the Clean Water Revolving Loan and Grant Fund to make grants to the appropriate local government unit qualifying for a grant from the Clean Water Revolving Loan and Grant Fund in accordance with the provisions of this act and the Clean Water Revolving Loan and Grant Act.

1 (f) A county may apply for a grant on behalf of a rural school located in
2 the county for a school water or wastewater project.

3 **SECTION 22.6.(g) Prohibited Use of Clean Water Bonds Proceeds.** –
4 Proceeds from the sale of the Clean Water Bonds shall not be used to construct new
5 water or sewer lines to provide water or sewer connections in any area that has been
6 designated as WS-I or the critical area of any area that has been designated as WS-II,
7 WS-III, or WS-IV by the Environmental Management Commission pursuant to
8 G.S. 143-214.5. The Secretary of Environment and Natural Resources may grant a
9 waiver to allow construction of new water or sewer lines and to provide water or sewer
10 connections if the Secretary finds that granting the waiver is necessary to protect public
11 health or water quality. A waiver granted by the Secretary under this subsection shall
12 include a requirement that the water or sewer line shall be designed and sized to address
13 only the public health or water quality concerns on which the waiver is based and shall
14 not allow for additional connections beyond those necessary to protect public health and
15 water quality. This subsection does not prohibit the repair or replacement of existing
16 water or sewer lines. In addition, the proceeds shall not be used for the repair,
17 installation, or replacement of a low-pressure pipe wastewater system with another
18 low-pressure pipe wastewater system.

19 **SECTION 22.6.(h) Election.** – The question of the issuance of the bonds
20 authorized by this act shall be submitted to the qualified voters of the State at an
21 election to be held on the first Tuesday after the first Monday of November 2007. Any
22 other primary, election, or referendum validly called or scheduled by law at the time the
23 election on the bond question provided for in this section is held may be held as called
24 or scheduled. Notice of the election shall be given in the manner and at the times
25 required by G.S. 163-33(8). The election and the registration of voters therefor shall be
26 held under and in accordance with the general laws of the State. Absentee ballots shall
27 be authorized in the election.

28 The State Board of Elections shall reimburse the counties of the State for all
29 necessary expenses incurred in holding the election that are in addition to those that
30 would have otherwise been incurred, the same to be paid out of the Contingency and
31 Emergency Fund or other funds available to the State Board of Elections.

32 Ballots, voting systems authorized by Article 14 of Chapter 163 of the
33 General Statutes, or both, may be used in accordance with rules prescribed by the State
34 Board of Elections. The bond questions to be used in the ballots or voting systems shall
35 be in substantially the following form:

36 FOR AGAINST
37 the issuance of two hundred fifty million dollars (\$250,000,000) State of
38 North Carolina 2007 Clean Water Bonds constituting general obligation bonds of the
39 State secured by a pledge of the faith and credit and taxing power of the State for the
40 purpose of providing funds, with any other available funds, to make loans and grants to
41 local government units to pay all or a portion of the cost of water and wastewater capital
42 improvement projects."

43 If a majority of those voting on a bond question in the election vote in favor
44 of the issuance of the bonds described in the question, those bonds may be issued as
45 provided in this act. If a majority of those voting on a bond question in the election vote
46 against the issuance of the bonds described in the question, those bonds shall not be
47 issued.

48 The results of the election shall be canvassed and declared as provided by law
49 for elections for State officers; the results of the election shall be certified by the State
50 Board of Elections to the Secretary of State, in the manner and at the time provided by
51 the general election laws of the State.

52 **SECTION 22.6.(i) General Provisions.** –

53 (a) The proceeds shall be used to make loans directly to local government
54 units qualifying for a loan from the Clean Water Revolving Loan and Grant Fund or
55 loaned in such other manner as shall effectuate the purposes of this act. To qualify for a

1 loan for the purpose of paying the cost of water supply systems, a local government unit
2 must have a water supply facility plan approved by the Department of Environment and
3 Natural Resources. A water supply facility plan submitted by a local government unit
4 to the Department under G.S. 143-355(l) will be sufficient to meet this requirement. To
5 qualify for a loan for the purpose of paying the cost of wastewater collection systems or
6 wastewater treatment works, a local government unit must have a wastewater facility
7 plan approved by the Department of Environment and Natural Resources. A
8 wastewater facility plan must project future wastewater treatment needs, must present a
9 long-range plan to meet those needs, and must include plans for system operations and
10 maintenance of the facilities being built with the bond proceeds.

11 (b) The form of the loans and the details thereof including, without
12 limitation, the maturity and amortization schedule shall be determined, from time to
13 time, by the State Treasurer. In making these determinations, the State Treasurer shall
14 consider the purpose of the loans, the ability of local government units to repay the
15 loans, and the security for the loans. The interest rates on these loans shall be zero
16 percent (0%). Payments shall be sufficient to repay the principal portion of the debt
17 service on the Clean Water Bonds.

18 (c) Repayments of the loans shall be credited to the General Fund and
19 may be used to pay, directly or indirectly, debt service on the bonds and notes issued.
20 Repayments may be initially placed into such fund or account as may be determined by
21 the State Treasurer for the purpose of determining compliance with applicable
22 requirements of the federal tax law and shall be expended and disbursed therefrom
23 under the direction and supervision of the Director of the Budget.

24 **SECTION 22.6.(j) Redistribution of the Allocation.** – The General
25 Assembly may at this session or at any subsequent session increase or decrease the
26 allocations of the proceeds of the Clean Water Bonds set forth in this Part, so long as the
27 aggregate amount of the allocations does not exceed two hundred fifty million dollars
28 (\$250,000,000).

29 **SECTION 22.6.(k) Contracts With Private Entities.** – To the extent
30 otherwise authorized by law, and to the extent the use otherwise accomplishes the clean
31 water objectives of the State, this act does not prohibit a local government unit from
32 using the proceeds of Clean Water Bonds for projects that accomplish the clean water
33 objectives of this State through contracts or other arrangements with private entities.

34 **SECTION 22.6.(l) Allocation of proceeds.**

35 (a) The proceeds of Clean Water Bonds and notes, including premium
36 thereon, if any, except the proceeds of bonds the issuance of which has been anticipated
37 by bond anticipation notes or the proceeds of refunding bonds or notes, shall be placed
38 by the State Treasurer in a special fund to be designated "Clean Water Bonds Fund",
39 which may include such appropriate special accounts therein as may be determined by
40 the State Treasurer and shall be disbursed as provided in this act. Moneys in the Clean
41 Water Bonds Fund shall be allocated and expended as provided in this act.

42 (b) Any additional moneys which may be received by means of a grant or
43 grants from the United States of America or any agency or department thereof or from
44 any other source for deposit to the Clean Water Bonds Fund may be placed in the Clean
45 Water Bonds Fund or in a separate account or fund and shall be disbursed, to the extent
46 permitted by the terms of the grant or grants, without regard to any limitations imposed
47 by this act.

48 (c) Moneys in the Clean Water Bonds Fund or any separate clean water
49 fund or account established under this act may be invested from time to time by the
50 State Treasurer in the same manner permitted for investment of moneys belonging to
51 the State or held in the State treasury, except with respect to grant money to the extent
52 otherwise directed by the terms of the grant. Investment earnings, except investment
53 earnings with respect to grant moneys to the extent otherwise directed or restricted by
54 the terms of the grant, may be (i) credited to the Clean Water Bonds Fund or any
55 separate clean water fund or account established under this act, (ii) used to pay debt

1 service on the bonds authorized by this act, (iii) used to satisfy compliance with
2 applicable requirements of the federal tax law, or (iv) transferred to the General Fund of
3 the State.

4 (d) The proceeds of bonds and notes may be used with any other moneys
5 made available by the General Assembly for making grants and loans authorized by this
6 act, including the proceeds of any other State bond issues, whether heretofore made
7 available or which may be made available at the session of the General Assembly at
8 which this act is ratified or any subsequent sessions. The proceeds of bonds and notes
9 shall be expended and disbursed under the direction and supervision of the Director of
10 the Budget. The funds provided by this act shall be disbursed for the purposes provided
11 in this act upon warrants drawn on the State Treasurer by the State Controller, which
12 warrants shall not be drawn until requisition has been approved by the Director of the
13 Budget and which requisition shall be approved only after full compliance with the
14 State Budget Act.

15 **SECTION 22.6.(m)** Issuance of bonds and notes. –

16 (a) Terms and Conditions. Bonds or notes may bear such date or dates,
17 may be serial or term bonds or notes, or any combination thereof, may mature in such
18 amounts and at such time or times, not exceeding 40 years from their date or dates, may
19 be payable at such place or places, either within or without the United States of
20 America, in such coin or currency of the United States of America as at the time of
21 payment is legal tender for payment of public and private debts, may bear interest at
22 such rate or rates, which may vary from time to time, and may be made redeemable
23 before maturity, at the option of the State or otherwise as may be provided by the State,
24 at such price or prices, including a price less than the face amount of the bonds or notes,
25 and under such terms and conditions, all as may be determined by the State Treasurer,
26 by and with the consent of the Council of State.

27 (b) Signatures; Form and Denomination; Registration. Bonds or notes
28 may be issued as certificated or uncertificated obligations. If issued as certificated
29 obligations, bonds or notes shall be signed on behalf of the State by the Governor or
30 shall bear his or her facsimile signature, shall be signed by the State Treasurer or shall
31 bear his or her facsimile signature, and shall bear the Great Seal of the State or a
32 facsimile thereof shall be impressed or imprinted thereon. If bonds or notes bear the
33 facsimile signatures of the Governor and the State Treasurer, the bonds or notes shall
34 also bear a manual signature which may be that of a bond registrar, trustee, paying
35 agent, or designated assistant of the State Treasurer. Should any officer whose
36 signature or facsimile signature appears on bonds or notes cease to be such officer
37 before the delivery of the bonds or notes, the signature or facsimile signature shall
38 nevertheless have the same validity for all purposes as if the officer had remained in
39 office until delivery, and bonds or notes may bear the facsimile signatures of persons
40 who at the actual time of the execution of the bonds or notes shall be the proper officers
41 to sign any bond or note although at the date of the bond or note such persons may not
42 have been such officers. The form and denomination of bonds or notes, including the
43 provisions with respect to registration of the bonds or notes and any system for their
44 registration, shall be as the State Treasurer may determine in conformity with this act;
45 provided, however, that nothing in this act shall prohibit the State Treasurer from
46 proceeding, with respect to the issuance and form of the bonds or notes, under the
47 provisions of Chapter 159E of the General Statutes, the Registered Public Obligations
48 Act, as well as under this act.

49 (c) Manner of Sale; Expenses. Subject to determination by the Council of
50 State as to the manner in which bonds or notes shall be offered for sale, whether at
51 public or private sale, whether within or without the United States of America, and
52 whether by publishing notices in certain newspapers and financial journals, mailing
53 notices, inviting bids by correspondence, negotiating contracts of purchase or otherwise,
54 the State Treasurer is authorized to sell bonds or notes at one time or from time to time
55 at such rate or rates of interest, which may vary from time to time, and at such price or

1 prices, including a price less than the face amount of the bonds or the notes, as the State
2 Treasurer may determine. All expenses incurred in preparation, sale, and issuance of
3 bonds or notes shall be paid by the State Treasurer from the proceeds of bonds or notes
4 or other available moneys.

5 (d) Notes; Repayment.

6 (1) By and with the consent of the Council of State, the State Treasurer is
7 hereby authorized to borrow money and to execute and issue notes of
8 the State for the same, but only in the following circumstances and
9 under the following conditions:

10 a. For anticipating the sale of bonds to the issuance of which the
11 Council of State shall have given consent, if the State Treasurer
12 shall deem it advisable to postpone the issuance of the bonds;

13 b. For the payment of interest on or any installment of principal of
14 any bonds then outstanding, if there shall not be sufficient funds
15 in the State treasury with which to pay the interest or
16 installment of principal as they respectively become due;

17 c. For the renewal of any loan evidenced by notes herein
18 authorized;

19 d. For the purposes authorized in this act; and

20 e. For refunding bonds or notes as herein authorized.

21 (2) Funds derived from the sale of bonds or notes may be used in the
22 payment of any bond anticipation notes issued under this act. Funds
23 provided by the General Assembly for the payment of interest on or
24 principal of bonds shall be used in paying the interest on or principal
25 of any notes and any renewals thereof, the proceeds of which shall
26 have been used in paying interest on or principal of the bonds.

27 (e) Refunding Bonds and Notes. By and with the consent of the Council
28 of State, the State Treasurer is authorized to issue and sell refunding bonds and notes
29 pursuant to the provisions of the State Refunding Bond Act for the purpose of refunding
30 bonds or notes issued pursuant to this act. The refunding bonds and notes may be
31 combined with any other issues of State bonds and notes similarly secured.

32 (f) Tax Exemption. Bonds and notes shall be exempt from all State,
33 county, and municipal taxation or assessment, direct or indirect, general or special,
34 whether imposed for the purpose of general revenue or otherwise, excluding inheritance
35 and gift taxes, income taxes on the gain from the transfer of bonds and notes, and
36 franchise taxes. The interest on bonds and notes shall not be subject to taxation as to
37 income.

38 (g) Investment Eligibility. Bonds and notes are hereby made securities in
39 which all public officers, agencies, and public bodies of the State and its political
40 subdivisions, all insurance companies, trust companies, investment companies, banks,
41 savings banks, savings and loan associations, credit unions, pension or retirement funds,
42 other financial institutions engaged in business in the State, executors, administrators,
43 trustees, and other fiduciaries may properly and legally invest funds, including capital in
44 their control or belonging to them. Bonds and notes are hereby made securities which
45 may properly and legally be deposited with and received by any officer or agency of the
46 State or political subdivision of the State for any purpose for which the deposit of
47 bonds, notes, or obligations of the State or any political subdivision is now or may
48 hereafter be authorized by law.

49 (h) Faith and Credit. The faith and credit and taxing power of the State are
50 hereby pledged for the payment of the principal of and the interest on bonds and notes.
51 In addition to the State's right to amend any provision of this act to the extent it does not
52 impair any contractual right of a bond owner, the State expressly reserves the right to
53 amend any provision of this act with respect to the making and repayment of loans, the
54 disposition of any repayments of loans, and any intercept provisions relating to the
55 failure of a local government unit to repay a loan, the bonds not being secured in any

1 respect by loans, any repayments thereof, or any intercept provisions with respect
2 thereto.

3 **SECTION 22.6.(n) Other Agreements.** – The State Treasurer may
4 authorize, execute, obtain, or otherwise provide for bond insurance, investment
5 contracts, credit and liquidity facilities, interest rate swap agreements and other
6 derivative products, and any other related instruments and matters the State Treasurer
7 determines are desirable in connection with the issuance, incurrence, carrying, or
8 securing of bonds or notes. Subject to the provisions of Section 17 of this act, the State
9 Treasurer is authorized to employ and designate any financial consultants, underwriters,
10 and bond attorneys to be associated with any bond issue under this act as the State
11 Treasurer considers necessary.

12 **SECTION 22.6.(o) Variable interest rates.** – In fixing the details of bonds
13 and notes, the State Treasurer may provide that any of the bonds or notes may:

14 (a) Be made payable from time to time on demand or tender for purchase
15 by the owner thereof provided a credit facility supports the bonds or notes, unless the
16 State Treasurer specifically determines that a credit facility is not required upon a
17 finding and determination by the State Treasurer that the absence of a credit facility will
18 not materially or adversely affect the financial position of the State and the marketing of
19 the bonds or notes at a reasonable interest cost to the State;

20 (b) Be additionally supported by a credit facility;

21 (c) Be made subject to redemption or a mandatory tender for purchase
22 prior to maturity;

23 (d) Bear interest at a rate or rates that may vary for such period or periods
24 of time, all as may be provided in the proceedings providing for the issuance of the
25 bonds or notes, including, without limitation, such variations as may be permitted
26 pursuant to a par formula; and

27 (e) Be made the subject of a remarketing agreement whereby an attempt is
28 made to remarket bonds or notes to new purchasers prior to their presentment for
29 payment to the provider of the credit facility or to the State.

30 If the aggregate principal amount repayable by the State under a credit facility
31 is in excess of the aggregate principal amount of bonds or notes secured by the credit
32 facility, whether as a result of the inclusion in the credit facility of a provision for the
33 payment of interest for a limited period of time or the payment of a redemption
34 premium or for any other reason, then the amount of authorized but unissued bonds or
35 notes during the term of such credit facility shall not be less than the amount of such
36 excess, unless the payment of such excess is otherwise provided for by agreement of the
37 State executed by the State Treasurer.

38 **SECTION 22.6.(p) Special provisions governing clean water loans.**

39 (a) Scope. The provisions of this section shall apply to loans being made
40 from the proceeds of bonds authorized by this act for clean water projects, other than
41 from funds deposited in the Clean Water Revolving Loan and Grant Fund.

42 (b) Clean Water Bonds Loan Account. There is established in the
43 Department of State Treasurer a special account to be known as the Clean Water Bonds
44 Loan Account, which may include any special or segregated accounts the State
45 Treasurer considers appropriate. There shall be deposited in the Clean Water Bonds
46 Loan Account proceeds of the Clean Water Bonds and notes to be used to make loans,
47 other than loans to be made through the Clean Water Revolving Loan and Grant Fund,
48 to local government units for clean water projects as provided in this act.

49 (c) Except as otherwise permitted by this act with respect to the use of
50 investment earnings, all moneys accruing to the credit of the Clean Water Bonds Loan
51 Account other than funds set aside for administrative expenses, including expenses
52 related to determining compliance with applicable requirements of the federal tax law
53 and costs of issuance, shall be used to make loans for the purposes provided in this act.
54 The State Treasurer shall be responsible for making and administering all loans pursuant
55 to the provisions of this section.

- 1 (d) Application for Loans; Hearings.
2 (1) Eligibility/Initial Hearing:
3 a. Prior to filing an application for a loan, a local government unit
4 shall hold a public hearing. A notice of the public hearing shall
5 be published once at least 10 days before the date fixed for the
6 hearing.
7 b. All applications for loans shall be filed with the Department of
8 Environment and Natural Resources. The form of the
9 application shall be prescribed by the Department and shall
10 require any information necessary to determine the eligibility
11 for a loan under the provisions of this section. All applications
12 approved by the Department of Environment and Natural
13 Resources shall be filed with the Local Government
14 Commission. Each applicant shall furnish to the Department of
15 Environment and Natural Resources and the Local Government
16 Commission information in addition or supplemental to the
17 information contained in its application, upon request.
18 c. A local government unit shall not be eligible for a loan unless it
19 demonstrates to the satisfaction of the Department of
20 Environment and Natural Resources and the Local Government
21 Commission that:
22 1. The applicant is a local government unit;
23 2. The applicant has the financial capacity to pay the
24 principal of and interest on its proposed loan as
25 evidenced by the approval of the Local Government
26 Commission;
27 3. The applicant has substantially complied or will
28 substantially comply with all applicable laws, rules,
29 regulations, and ordinances, whether federal, State, or
30 local; and
31 4. The applicant has agreed by official resolution to adopt
32 and place into effect a schedule of fees and charges or
33 the application of other sources of revenue which will
34 provide adequate funds for proper operation,
35 maintenance, and administration of the project and
36 repayment of all principal and interest on the loan.
37 (2) Assessment. The Department of Environment and Natural Resources
38 may require any applicant to file with its application an assessment of
39 the impact the project for which the funds are sought will have upon
40 meeting the facility needs of the area within which the project is to be
41 located.
42 (3) Hearing by the Department of Environment and Natural Resources or
43 the Local Government Commission. A public hearing may be held by
44 the Department of Environment and Natural Resources or the Local
45 Government Commission at any time on any application. Public
46 hearings may also be held by the Department of Environment and
47 Natural Resources in its discretion upon written request from any
48 citizen or taxpayer who is a resident of the county or counties in which
49 the project is to be located or a resident of the local government unit
50 that proposes to borrow moneys under this act, if it appears that the
51 public interest will be served by the hearing. The written request shall
52 set forth each objection to the proposed project or other reason for
53 requesting a hearing on the application and shall contain the name and
54 address of the persons submitting it. In deciding whether to grant a
55 request for a hearing on an application, the Department of

1 Environment and Natural Resources may consider the application, the
2 written objections to the proposed project, and the facility needs and
3 shall determine if the public interest will be served by a hearing. The
4 determination by the Department of Environment and Natural
5 Resources shall be conclusive, and all written requests for a hearing
6 shall be retained as a permanent part of the records pertaining to the
7 application.

8 (4) Petition for Vote. A petition, demanding that the question of whether
9 to enter into a loan agreement with the State under this act be
10 submitted to voters, may be filed with the clerk of the local
11 government unit applying for the loan within 15 days after the public
12 hearing required by this section. The petition's sufficiency shall be
13 determined and a referendum, if any, shall be conducted according to
14 the standards, procedures, and limitations set out in G.S. 159-60
15 through G.S. 159-62.

16 (e) Priorities.

17 (1) Determination. Determination of priorities to be assigned each eligible
18 project shall be made semiannually by the Department of Environment
19 and Natural Resources during each fiscal year. Every eligible project
20 shall be considered by the Department of Environment and Natural
21 Resources with every other project eligible during this same priority
22 period.

23 (2) Priority Factors. All applications for loans under this act shall be
24 assigned a priority by the Department of Environment and Natural
25 Resources. The Department of Environment and Natural Resources
26 shall establish other priority factors criteria by rule.

27 (3) Assignment of Priority. A written statement relative to each priority
28 assigned shall be prepared by the Department of Environment and
29 Natural Resources and shall be attached to the application. The
30 priority assigned shall be conclusive.

31 (4) Failure to Qualify. If an application does not qualify for a loan as of
32 the prior period in which the application was eligible for consideration
33 by reason of the priority assigned, the application shall be considered
34 during the next succeeding priority period upon request of the
35 applicant. If the application again fails to qualify for a loan during the
36 second priority period by reason of the priority assigned, the
37 application shall receive no further consideration. An applicant may
38 file a new application at any time and may amend any pending
39 application to include additional data or information.

40 (5) Withdrawal of Commitment. Failure of an applicant within one year
41 after the date of acceptance of the loan to arrange for necessary
42 financing of the proposed project or award of the contract of the
43 construction of the proposed project shall constitute sufficient cause
44 for withdrawal of the commitment. Prior to withdrawal of a
45 commitment, the Department of Environment and Natural Resources
46 shall give due consideration to any extenuating circumstances
47 presented by the applicant as reasons for failure to arrange necessary
48 financing or to award a contract, and the commitment may be extended
49 for an additional period of time if, in the judgment of the Department
50 of Environment and Natural Resources, the extension is justified.

51 (f) Disbursement. To be eligible to receive the loans provided for in this
52 section, a local government unit must arrange to borrow the amounts necessary pursuant
53 to rules adopted by the Local Government Commission. No funds shall be disbursed
54 until the Department of Environment and Natural Resources gives a certificate of
55 eligibility to the effect that the applicant meets all eligibility criteria and that all

1 procedural requirements of this act have been met. The maximum principal amount of a
2 loan shall be one hundred percent (100%) of the cost of any eligible project.

3 (g) Intercept. The governing body of a local government unit shall by
4 resolution authorize to be included in its loan agreement a provision authorizing the
5 State Treasurer, upon failure of the local government unit to make a scheduled
6 repayment of the loan, to withhold from the local government unit any State funds that
7 would otherwise be distributed to the local government unit in an amount sufficient to
8 pay all sums then due and payable to the State as a repayment of the loan. In such
9 event, notwithstanding any other provision of law, the State Treasurer is authorized to
10 withhold and apply such funds to the repayment of the loan, except that such funds shall
11 not be withheld if (i) before the execution of the loan agreement, such funds have been
12 legally pledged to secure special obligation bonds or other obligations of the local
13 government unit, or (ii) after the execution of the loan agreement, such funds are legally
14 pledged to secure special obligation bonds or other obligations of the local government
15 unit as authorized in this subsection. After the execution of a loan agreement, all or any
16 portion of the State funds specified in the loan agreement to be so withheld may be
17 pledged to secure special obligation bonds or other obligations of the local government
18 unit only with the prior written consent of the State Treasurer.

19 The State Treasurer shall notify the Secretary of Revenue and the State
20 Controller of the amount to be withheld from the local government unit, and the
21 Secretary of Revenue and the State Controller shall transfer to the State Treasurer the
22 amount so requested to be applied by the State Treasurer to the repayment of the loan.

23 (h) Inspection. Inspection of a project for which a loan has been made
24 under this act may be performed by qualified personnel of the Department of
25 Environment and Natural Resources or may be performed by qualified engineers
26 registered in this State approved by the Department of Environment and Natural
27 Resources. No person shall be approved to perform inspections who is an officer
28 employed by the local government unit to which the loan was made or who is an owner,
29 officer, employer, or agent of a contractor or subcontractor engaged in the construction
30 of the project for which the loan was made. For the purpose of payment of inspection
31 fees, inspection services shall be included in the term "cost" as used in this act.

32 (i) Rules. The State Treasurer, the Local Government Commission, and
33 the Department of Environment and Natural Resources may adopt, modify, and repeal
34 rules necessary for the administration of their respective duties under this act. Uniform
