HOUSE JOINT RESOLUTION DRHJR10879-LG-166B (04/22)

Sponsors: Representatives Blust, Cleveland, Current, and Setzer (Primary Sponsors).

Referred to:

1 A JOINT RESOLUTION REJECTING UNFAIR ATTACKS AND EXPRESSING PRIDE IN
2 THE UNITED STATES OF AMERICA.

3 Whereas, the United States of America has been unfairly attacked and pilloried at
4 recent international forums as a cause of many of the world's problems; and

5 Whereas, such attacks have come primarily from leaders who have abysmal records
6 on human rights and oppression who head nations where elections are not free and fair; and

7 Whereas, the President of the United States, while attending these forums, sat
8 silently while America was under attack and has made apologies for the United States; and

9 Whereas, the United States of America was founded and continues to exist on the
10 greatest set of principles and ideals ever known and articulated by man and adherence to such
11 principles and ideals is what makes the United States of America strong, prosperous, and free;
12 and

13 Whereas, the United States of America has throughout its history been what
14 Abraham Lincoln called "the last best hope for mankind" and has been a strong, positive source
15 of progress and good in the world; and

16 Whereas, the United States of America has paid a huge price in both money and the
17 lives of its people to spread democracy, advance freedom, resist oppression, fight tyranny, and
18 preserve liberty in places around the globe; and

19 Whereas, the United States of America has been the most generous nation in the
20 history of the world in providing assistance to people throughout the world when confronted
21 with disasters and emergencies, both natural and man-made; and

22 Whereas, no nation in the history of the world has been more generous and
23 magnanimous toward former foes after victory in war and provided more aid and help to the
24 defeated to get back on their feet both democratically and economically; and

25 Whereas, freedom and prosperity would not exist in the world today without the
26 United States of America; and

27 Whereas, most Americans believe no one needs to apologize for this great nation,
28 including Ronald Wilson Reagan, who served with honor and distinction for two terms as the
29 40th President of the United States of America; and

30 Whereas, the United States of America remains a great beacon of hope for a better
31 future to millions of people throughout the world; Now, therefore,

32 Be it resolved by the House of Representatives, the Senate concurring:

33 **SECTION 1.** The General Assembly rejects the outrageous and inaccurate attacks
34 made on the United States of America by those who have abysmal records abusing freedom
35 and human rights or by anyone else.
