1 A BILL TO BE ENTITLED
2 AN ACT TO MAKE VARIOUS CHANGES TO THE STATUTES GOVERNING THE
3 WILDLIFE RESOURCES COMMISSION.

4 The General Assembly of North Carolina enacts:

5
6 **REQUIRE PLACEMENT OF VALIDATION DECALS ON BOTH SIDES OF VESSELS**

7 **SECTION 1.** G.S. 75A-5 reads as rewritten:

8 **"§ 75A-5. Application for certificate of number; fees; reciprocity; change of ownership;**
9 **conformity with federal regulations; records; award of certificates; renewal of**
10 **certificates; transfer of partial interest; destroyed or junked vessels;**
11 **abandonment; change of address; duplicate certificates; display.**

12 (a) Application for Certificate of Number. – The owner of each vessel requiring
13 numbering by this State shall file an application for a certificate of number with the Commission.
14 The Commission shall furnish application forms and shall prescribe the information contained in
15 the application form. The application shall be signed by the owner of the vessel or the owner's
16 agent and shall be accompanied by a fee, as set out in subsection (a1) of this section. The fee
17 does not apply to vessels owned and operated by nonprofit rescue squads if they are operated
18 exclusively for rescue purposes, including rescue training. The owner shall have the option of
19 selecting a one-year numbering period or a three-year numbering period. Upon receipt of the
20 application in approved form, the Commission shall enter the application in its records and issue
21 the owner a certificate of number stating the identification number awarded to the vessel and the
22 name and address of the owner, and a validation decal indicating the expiration date of the
23 certificate of number. The owner shall paint on or attach to each side of the bow of the vessel the
24 identification number and validation decals in such manner as may be prescribed by rules of the
25 Commission in order that it may be clearly visible. The identification number shall be maintained
26 in legible condition. ~~The validation decal shall be displayed on the starboard bow of the vessel~~
27 ~~immediately following the number.~~ The certificate of number shall be pocket size and shall be
28 available for inspection on the vessel for which the certificate is issued at all times the vessel is
29 in operation. Any person charged with failing to so carry a certificate of number shall not be
30 convicted if the person produces in court a certificate of number previously issued to the owner
31 that was valid at the time of the alleged violation.

3 **AMEND DEFINITIONS RELATED TO WILDLIFE RESOURCES COMMISSION**
4 **PROPERTY AND MOUNTAIN TROUT WATERS**

5 **SECTION 2.** G.S. 113-129 reads as rewritten:

6 **"§ 113-129. Definitions relating to resources.**

7 The following definitions and their cognates apply in the description of the various marine
8 and estuarine and wildlife resources:

9 ...

10 (1d) Boating and Fishing Access Area. – An area ~~of land~~ providing access to public
11 waters and which is owned, allocated to, leased, controlled, or managed by
12 the Wildlife Resources Commission.

13 ...

14 (8a) Game Lands. – Lands owned, allocated to, leased, controlled, or cooperatively
15 managed by the Wildlife Resources ~~Commission for public hunting, trapping,~~
16 ~~or fishing.~~ Commission.

17 ...

18 (11d) Mountain Heritage Trout Waters. – Those waters that run through or are
19 adjacent to a city that has been designated by the Wildlife Resources
20 Commission as a Mountain Heritage Trout City pursuant to G.S. 113-273(e).

21 ~~(11d)~~(11e) Nongame Animals. – All wild animals except game and fur-bearing
22 animals.

23 ~~(11e)~~(11f) Nongame Birds. – All wild birds except game birds.

24 ...

32 refuges, artificial constructions in boating and fishing access areas, and all
33 other property owned, allocated to, leased, controlled, or cooperatively
34 managed and designated for public use by the Wildlife Resources
35 Commission."

36
37 **ALLOW SALE OF PERMANENTLY PRESERVED BEARS AND TURKEYS WITH A**
38 **TROPHY SALE PERMIT**

39 **SECTION 3.** G.S. 113-291.3 reads as rewritten:

40 **"§ 113-291.3. Possession, sale, and transportation of wildlife.**

41 ...

42 (b) With respect to dead wildlife:

43 ...

44 (3) A licensed taxidermist or other licensed dealer taking temporary possession
45 of wildlife of another may possess the wildlife that he is authorized to handle
46 under his license in accordance with the rules of the Wildlife Resources
47 Commission. A person not a dealer operating a preservation or processing
48 facility, whether commercially or not, may possess the wildlife owned by
49 another without any permit or license if he ascertains that the wildlife was
50 lawfully taken within the State and keeps a written record of:

- 1 a. The name and address of the owner of the wildlife and an adequate
- 2 description of the wildlife left with him. If the description of the
- 3 wildlife changes as the result of processing, the new description must
- 4 be recorded.
- 5 b. The date, ~~serial number,~~ authorization number, and type of the license
- 6 under which the wildlife was taken or the applicable exemption from
- 7 license requirements which the taker met.
- 8 c. The date all wildlife left with him is received and returned to the
- 9 owner. If the receiving or returning of possession is to an agent or
- 10 common carrier or otherwise occurs under circumstances in which
- 11 permit requirements may apply, the type and date of the permit which
- 12 authorizes the transaction must also be recorded.
- 13 (4) The sale of rabbits and squirrels and their edible parts not for resale is
- 14 permitted. If the Wildlife Resources Commission finds that affected game
- 15 populations would not be endangered, it may authorize the sale of heads,
- 16 antlers, horns, hides, skins, plumes, feet, and claws of one or more game
- 17 animals or birds. In addition, it may authorize the sale of bobcats, opossums,
- 18 and raccoons, and their parts, following their taking as game animals. No part
- 19 of any bear or wild turkey may be sold under the above provisions, however,
- 20 ~~and no permanently preserved bears or tanned bear hides and permanently~~
- 21 ~~preserved turkeys or turkey parts may be sold with a trophy sale permit. No~~
- 22 part of any fox taken in North Carolina may be sold except as provided in
- 23 G.S. 113-291.4. In regulating sales, the Wildlife Resources Commission may
- 24 impose necessary permit requirements.

2 **WILDLIFE ENDOWMENT FUND CHANGES**

3 **SECTION 5.** G.S. 143-250.1 reads as rewritten:

4 **"§ 143-250.1. Wildlife Endowment Fund.**

5 (a) Recognizing the inestimable importance to the State and its people of conserving the
6 wildlife resources of North Carolina, and for the purpose of providing the opportunity for citizens
7 and residents of the State to invest in the future of its wildlife resources, there is created the North
8 Carolina Wildlife Endowment Fund, the income and principal of which shall be used only for
9 the purpose of supporting wildlife conservation programs of the State in accordance with this
10 section. This fund shall also be known as the Eddie Bridges Fund.

11 (b) There is created the Board of Trustees of the Wildlife Endowment Fund of the
12 Wildlife Resources Commission, with full authority over the administration of the Wildlife
13 Endowment Fund, whose ex officio chairman, vice-chairman, and members shall be the
14 chairman, vice-chairman, and members of the Wildlife Resources Commission. The State
15 Treasurer shall be the custodian of the Wildlife Endowment Fund and shall invest its assets in
16 accordance with the provisions of G.S. 147-69.2 and 147-69.3.

17 (c) The assets of the Wildlife Endowment Fund shall be derived from the following:

18 (1) The proceeds of any gifts, grants and contributions to the State which are
19 specifically designated for inclusion in the ~~fund~~; fund.

20 (2) The proceeds from the sale of lifetime sportsman combination licenses issued
21 pursuant to ~~G.S. 113-270.1D~~; G.S. 113-270.1D.

22 (3) The proceeds from the sale of lifetime hunting and lifetime fishing licenses
23 pursuant to ~~G.S. 113-270.2(e)(2) and G.S. 113-271(d)(3)~~; G.S. 113-270.2 and
24 G.S. 113-271.

25 (3a) The proceeds from the sale of lifetime trapping licenses pursuant to
26 G.S. 113-270.5(b).

27 (4) The proceeds of lifetime subscriptions to the magazine Wildlife in North
28 Carolina at such rates as may be established from time to time by the Wildlife
29 Resources ~~Commission~~; Commission.

30 (5) Any amount in excess of the statutory fee for a particular lifetime license or
31 lifetime subscription shall become an asset of the fund and shall qualify as a
32 tax exempt donation to the ~~State~~; State.

33 (5a) The proceeds from the sale of lifetime combination hunting and fishing
34 licenses for disabled residents pursuant to
35 ~~G.S. 113-270.1C(b)(4)~~; G.S. 113-270.1C.

36 (5b) The Wildlife Resources Commission's portion of the proceeds from the sale
37 of lifetime unified licenses pursuant to G.S. 113-351.

38 (6) Such other sources as may be specified by law.

39 (d) The Wildlife Endowment Fund is declared to constitute a special trust derived from a
40 contractual relationship between the State and the members of the public whose investments
41 contribute to the fund. In recognition of such special trust, the following limitations and
42 restrictions are placed on expenditures from the funds:

43 (1) Any limitations or restrictions specified by the donors on the uses of the
44 income derived from gifts, grants and voluntary contributions shall be
45 respected but shall not be binding.

46 (2) No expenditures or disbursements from the income from the proceeds derived
47 from the sale of Infant Lifetime Sportsman or Youth Lifetime Sportsman
48 Licenses pursuant to G.S. 113-270.1D(b)(1) or (2) shall be made for any
49 purpose until the respective holders of such licenses attain the age of 16 years.
50 The State Treasurer, as custodian of the fund, shall determine actuarially from
51 time to time the amount of income within the fund which remains encumbered

1 by and which is free of this restriction. For such purpose, the executive
2 director shall cause deposits of proceeds and related investment income from
3 Infant Lifetime Sportsman Licenses ~~to be distinguished and deposits of~~
4 ~~proceeds from~~ and Youth Lifetime Sportsman Licenses to be accompanied by
5 information as to the ages of the license recipients.

6 (3) No expenditure or disbursement shall be made from the principal of the
7 Wildlife Endowment Fund except as otherwise provided by law.

8 (4) The income received and accruing from the investments of the Wildlife
9 Endowment Fund must be spent only in furthering the conservation of wildlife
10 resources and the efficient operation of the North Carolina Wildlife Resources
11 Commission in accomplishing the purposes of the agency as set forth in
12 G.S. 143-239.

13 (e) The Board of Trustees of the Wildlife Endowment Fund may accumulate the
14 investment income of the fund until the income, in the sole judgment of the trustees, can provide
15 a significant supplement to the budget of the Wildlife Resources Commission. After that time the
16 trustees, in their sole discretion and authority, may direct expenditures from the investment
17 income of the fund for the purposes set out in division (4) of subsection (d).

18 (f) Expenditure of the investment income derived from the Wildlife Endowment Fund
19 shall be made through the State budget accounts of the Wildlife Resources Commission in
20 accordance with the provisions of the Executive Budget Act. The Wildlife Endowment Fund is
21 subject to the oversight of the State Auditor pursuant to Article 5A of Chapter 147 of the General
22 Statutes.

23 (f1) At all times during which the cash balance in the Wildlife Endowment Fund is equal
24 to or greater than the sum of one hundred million dollars (\$100,000,000), the Wildlife Resources
25 Commission shall budget at least twenty-five percent (25%) of the annual expendable ~~interest~~
26 investment income from the Fund, as determined by the Board of Trustees of the Fund, to
27 implement the conservation goals set forth in the Wildlife Resource Commission's strategic plan.

28 (g) The Wildlife Endowment Fund and the investment income therefrom shall not take
29 the place of State appropriations or agency receipts placed in the Wildlife Resources Fund, or
30 any part thereof, but any portion of the income of the Wildlife Endowment Fund available for
31 the purpose set out in ~~division~~ subdivision (4) of subsection (d) shall be used to supplement other
32 income of and appropriations to the Wildlife Resources Commission to the end that the
33 Commission may improve and increase its services and become more useful to a greater number
34 of people.

35 (h) In the event of a future dissolution of the Wildlife Resources Commission, such State
36 agency as shall succeed to its budgetary authority shall, ex officio, assume the trusteeship of the
37 Wildlife Endowment Fund and shall be bound by all the limitations and restrictions placed by
38 this section on expenditures from the fund. No repeal or modification of this section or of
39 G.S. 143-239 shall alter the fundamental purposes to which the Wildlife Endowment Fund may
40 be applied. No future dissolution of the Wildlife Resources Commission or substitution of any
41 agency in its stead shall invalidate any lifetime license issued in accordance with
42 G.S. 113-270.1D(b), 113-270.2(c)(2), ~~or 113-271(d)(3).~~ 113-271(d)(3), or 113-351(c)."

43 44 VARIOUS LICENSE CHANGES

45 SECTION 6.(a) G.S. 113-270.1B reads as rewritten:

46 "§ 113-270.1B. License required to hunt, fish, or trap; fees set by Commission.

47 (a) Except as otherwise specifically provided by law, no person may hunt, fish, trap, or
48 participate in any other activity regulated by the Wildlife Resources Commission for which a
49 license is provided by law without having first procured a current and valid license authorizing
50 the activity.

1 (b) Except as indicated otherwise, all ~~licenses are annual licenses~~ licenses, permits,
2 ~~stamps, and certifications are~~ valid from the date of issue for a period of 12 months.

3 (c) As used in this section, the term "effective date" means the later of:

4 (1) The date of purchase of a new license.

5 (2) The first day after the expiration of a currently valid license of the same type
6 held by the licensee.

7 (d) For those licenses sold directly through the Commission by telephone, mail, online,
8 or at a service counter, the Commission may charge a fee of two dollars (\$2.00) per transaction.

- 7 b. Ten-Day License – ~~\$60.00~~-\$80.00. This license is only valid for the
- 8 10 consecutive dates indicated on the license.
- 9 ...
- 10 (3) Game Land License – \$15.00. ~~This license shall be issued to an individual~~
- 11 ~~resident or nonresident of the State and entitles the holder to hunt and trap on~~
- 12 ~~game lands managed by the Wildlife Resources Commission.~~ The Wildlife
- 13 Resources Commission may, pursuant to G.S. 113-264(a), designate in its
- 14 rules ~~other~~ activities on game lands that require purchase of this license and
- 15 may charge additional fees for use of specially developed facilities.
- 16 (4) Falconry License – \$10.00. This license shall be issued to an individual
- 17 resident or nonresident of the State and must be procured before:
- 18 a. Taking, importing, transporting, or possessing a raptor; or
- 19 b. Taking wildlife by means of falconry.
- 20 In addition to a falconry license, license holders 16 years of age and older
- 21 must also possess a hunting license as set forth in G.S. 113-270.1C,
- 22 113-270.1D, and 113-270.2 when taking wildlife by means of falconry. The
- 23 Wildlife Resources Commission may issue classes of falconry licenses
- 24 necessary to participate in the federal/State permit system, require necessary
- 25 examinations before issuing licenses or permits to engage in various
- 26 authorized activities related to possession and maintenance of raptors and the
- 27 sport of falconry, and regulate licenses as required by governing federal law
- 28 and rules. To defray the costs of administering required examinations, the
- 29 Wildlife Resources Commission may charge reasonable fees upon giving
- 30 them. To meet minimum federal standards plus other State standards in the
- 31 interests of conservation of wildlife resources, the Wildlife Resources
- 32 Commission may impose all necessary controls, including those set out in the
- 33 sections pertaining to collection licenses and captivity licenses, and may issue
- 34 permits and require reports, but no collection license or captivity license is
- 35 needed in addition to the falconry license.

 32 that meets the criteria for participation in the Program shall be designated by the Commission as
 33 a Mountain Heritage Trout City."

34 SECTION 6.(j) G.S. 113-272.4 reads as rewritten:

35 "§ 113-272.4. **Collection licenses.**

36 (a) In the interest of the orderly and efficient conservation of wildlife resources, the
 37 Wildlife Resources Commission may provide for the licensing of ~~qualified~~ individuals to take
 38 any of the wildlife resources of the State under a collection license that may serve in lieu of any
 39 other license required in this Article. This license authorizes incidental transportation and
 40 possession of the wildlife resources necessary to implement the authorized purposes of the taking,
 41 but the Wildlife Resources Commission in its discretion may additionally impose permit
 42 requirements under subsection (d) below and G.S. 113-274.

43 (b) The Wildlife Resources Commission may delegate to the Executive Director the
 44 authority to impose time limits during which the license is valid and restrictions as to what may
 45 be taken and method of taking and possession, in the interests of conservation objectives. ~~The~~
 46 ~~Executive Director through his responsible agents must determine whether a particular license~~
 47 ~~applicant meets the standards and qualifications for licensees set by the Wildlife Resources~~
 48 ~~Commission.~~ Methods of taking under a collection license need not be restricted to those
 49 applicable to ordinary hunting, trapping, or fishing, but the licensee ~~must~~ shall observe the
 50 restrictions as to taking, transportation, and possession imposed by the Executive Director upon
 51 the granting of the license.

1 (c) When a more limited duration period is not set by the Executive Director in
2 implementing the rules of the Wildlife Resources Commission, Director, collection licenses are
3 valid from January 1 through December 31 in any year. This license is issued upon payment of
4 five dollars (\$5.00), but the Wildlife Resources Commission may provide for issuance without
5 charge to licensees who represent educational or scientific institutions or some governmental
6 agency. ten dollars (\$10.00). The Wildlife Resources Commission may adopt rules to utilize
7 replacement costs of wildlife resources to offset the impact of collection or possession activities.

8 (d) As necessary, the Executive Director may administratively impose on licensees under
9 this section restrictions upon individuals taking, transporting, or possessing under the license
10 which will permit ready identification and control of those involved in the interest of efficient
11 administration of laws pertaining to wildlife resources. Restrictions may include requirements as
12 to record keeping, tagging, marking packages, cages, or containers and exhibition of additional
13 limited-purpose and limited-time permits that may be issued without charge to cover particular
14 activities and other actions that may be administratively required in the reasonable
15 implementation of the objectives of this Subchapter.

16 (e) If the Executive Director deems it administratively appropriate and convenient to do
17 so, in the interests of simplifying the administration of licensing requirements, ~~he~~ the Executive
18 Director may grant particular licensees under this section the privilege of utilizing assistants in
19 taking, transporting, or possessing wildlife resources who themselves are not licensed. Any
20 assistants so taking, transporting, or possessing wildlife resources must shall have readily
21 available for inspection a written authorization from the licensee to engage in the activity in
22 question. The written authorization must shall contain information administratively required by
23 the Executive Director, and a copy of the authorization must be placed in the mail addressed to
24 the Executive Director or his designated agent submitted to the Wildlife Resources Commission
25 before any assistant acts under the authorization. In his discretion the The Executive Director
26 may refuse to issue, refuse to renew, or revoke the privilege conferred in this subsection. If this
27 is done, each individual engaged in taking, transporting, or possessing wildlife resources under
28 this section must shall meet all applicable licensing and permit requirements."

29 **SECTION 6.(k)** G.S. 113-272.5 reads as rewritten:

30 **"§ 113-272.5. Captivity license.**

31 (a) ~~In the interests of humane treatment of wild animals and wild birds that are lawfully~~
32 ~~taken, crippled, tame, or unfit for immediate release into their natural habitat, the The Wildlife~~
33 ~~Resources Commission may license qualified individuals to hold at a specified location location~~
34 ~~wild animals and wild birds that are lawfully taken, crippled, tame, or unfit for immediate release~~
35 ~~into their natural habitat, or one or more of any particular species of wild animal or wild bird~~
36 ~~alive in captivity for scientific, educational, exhibition, or other purposes. Before issuing this~~
37 ~~license, the Executive Director must satisfy himself determine that issuance of the license is~~
38 ~~appropriate under the objectives of this Subchapter, and that the wild animal or wild bird was not~~
39 ~~acquired unlawfully or merely as a pet. Upon refusing to issue the captivity license, the Executive~~
40 ~~Director may either take possession of the wild animal or wild bird for appropriate disposition or~~
41 ~~issue a captivity permit under G.S. 113-274(c)(1b) for a limited period until the holder makes~~
42 ~~proper disposition of the wild animal or wild bird.~~

43 (b) Unless a shorter time is set for a license upon its issuance under the provisions of
44 subsection (c), captivity licenses are annual licenses issued beginning January 1 each year and
45 running until the following December 31. ~~This license is issued upon payment of five dollars~~
46 ~~(\$5.00) The captivity license for holding shall be issued upon payment of fifty dollars (\$50.00)~~
47 ~~and the captivity license for rehabilitation shall be issued upon payment of ten dollars (\$10.00)~~
48 ~~to the Wildlife Resources Commission.~~

49 (c) The Wildlife Resources Commission may require standards of caging and care and
50 reports to and supervision by employees of the Wildlife Resources Commission ~~as necessary to~~
51 ~~insure humane treatment and in~~ furtherance of the objectives of this Subchapter. The Executive

1 Director in implementing the provisions of this section may administratively impose through
 2 ~~responsible agents and employees~~ restrictions upon the mode of captivity ~~that he deems deemed~~
 3 necessary, including prescribing methods of treatment and ~~handling designed, if possible, to~~
 4 ~~enable the wild animal or wild bird to become self-sufficient and requiring that the wild animal~~
 5 ~~or wild bird be set free when self-sufficiency is attained.~~ handling. To this end, the Executive
 6 Director may issue the captivity license with an expiration date earlier than December 31 and
 7 may also act to terminate any captivity license earlier than the expiration date for good cause.

9 **SECTION 6.(I)** G.S. 113-273 reads as rewritten:

10 "**§ 113-273. ~~Dealer licenses.~~Other licenses.**

11 (a) ~~"Dealer" Defined; All Licenses Annual.~~—As used in this section, the word "dealer"
 12 ~~includes all persons or individuals required to be licensed under the terms of this section.~~ Except
 13 ~~when indicated otherwise, dealer otherwise indicated,~~ licenses in this section are annual licenses
 14 issued beginning January 1 each year running until the following December 31.

15 (b) ~~License Required; Rules Governing Licensee.~~—Except as otherwise provided, no
 16 person may engage in any activity for which a ~~dealer~~ license is provided under this section
 17 without first having procured a current and valid ~~dealer~~ license for that activity. In implementing
 18 the provisions of this section, the Wildlife Resources Commission may by rule govern every
 19 aspect of the licensee's dealings in wildlife resources. Specifically, these rules may require
 20 ~~dealers~~ licensees to:

- 21 (1) Implement a system of tagging or otherwise identifying and controlling
 22 species regulated under the license and pay a reasonable fee, ~~not to exceed~~
 23 ~~two dollars and twenty five cents (\$2.25),~~ for each tag furnished by the
 24 Wildlife Resources ~~Commission;~~ Commission to defray costs;
- 25 (2) Keep records and statistics in record books furnished by the Wildlife
 26 Resources Commission, and pay a reasonable charge to defray the cost of
 27 furnishing the books;
- 28 (3) Be subject to inspection at reasonable hours and audit of wildlife resources
 29 and pertinent records and equipment;
- 30 (4) Make periodic reports;
- 31 (5) Post performance bonds payable to the Wildlife Resources Commission
 32 conditioned upon faithful compliance with provisions of law; and
- 33 (6) Otherwise comply with reasonable rules and administrative requirements that
 34 may be imposed under the authority of this section.

35 ...

36 (f) **Fur-Dealer License.** – Except as otherwise provided in this subsection, any individual
 37 in this State who deals in furs must obtain an appropriate fur-dealer license. For the purposes of
 38 this subsection, "dealing in furs" is engaging in the business of buying or selling fur-bearing
 39 animals or other wild animals that may lawfully be sold, the raw furs, pelts, or skins of those
 40 animals, or the furs, pelts, or skins of wild animals which may not themselves be sold but whose
 41 fur, pelt, or skin may lawfully be sold. A hunter or trapper who has lawfully taken wild animals
 42 whose fur, pelt, or skin is permitted to be sold under this subsection is not considered a fur dealer
 43 if he exclusively sells the animals or the furs, pelts, and skins, as appropriate, to licensed fur
 44 dealers. All fur-dealer licenses are annual licenses issued beginning July 1 each year running
 45 until the following June 30. Fur-dealer licenses issued by the Wildlife Resources Commission
 46 are as follows:

47 ...

- 48 (3) Fur-dealer station license, one hundred twenty dollars (\$120.00). Authorizes
 49 a person or individual to deal in furs at an established location where fur
 50 dealings occur under the supervision of a responsible individual manager
 51 named in the license. Individual employees of the business dealing in furs

1 solely at the established location under the supervision of the manager need
2 not acquire an individual license. Any employee who also deals in furs outside
3 the established location ~~must~~shall obtain the appropriate individual license.
4 Individuals dealing in furs at an established location may elect to do so under
5 their individual licenses.

6 The Executive Director may administratively provide for reissuance of a
7 station license without charge for the remainder of the year when either a
8 business continues at an established location under a new supervising manager
9 or the business changes to a new location. Before reissuing the license,
10 however, the Executive Director ~~must satisfy himself~~shall determine that
11 there is a continuation of essentially the same business previously licensed
12 and that any new supervising manager meets the qualifications imposed by
13 rules of the Wildlife Resources Commission. The supervising manager ~~must~~
14 shall file the names of all employees of the business covered by a fur-dealer
15 station license, whether temporary or permanent, including employees who
16 process or skin the animals.

17 The Executive Director ~~must~~shall furnish supervising managers and individual licensees with
18 forms or record books for recording required information as to purchase, sale, importation,
19 exportation, and other dealings, and make a reasonable charge to cover the costs of any record
20 books furnished. It is unlawful for anyone dealing in furs to fail to submit reports required by
21 rules or reasonable administrative directives.

22 (g) Controlled Hunting Preserve Operator License. – The Wildlife Resources
23 Commission is authorized by rule to set standards for and to license the operation of controlled
24 hunting preserves operated by private persons. Controlled hunting preserves are of ~~two~~three
25 types: one is an area marked with appropriate signs along the outside boundaries on which only
26 domestically raised chukars, Hungarian partridges, and game birds other than wild turkeys are
27 taken; ~~the other one is an area enclosed with a dog-proof fence on which rabbits may be hunted~~
28 with dogs only; and one is an area enclosed with a dog-proof fence on which foxes and coyotes
29 may be hunted with dogs only. A controlled fox and coyote hunting preserve operated for private
30 use may be of any size; a controlled hunting preserve operated for commercial purposes shall be
31 an area of not less than 500 acres or of such size as set by regulation of the Wildlife Resources
32 Commission, which shall take into account differences in terrain and topography, as well as the
33 welfare of the wildlife.

34 Operators of controlled fox hunting preserves may purchase live foxes and coyotes from
35 licensed trappers who live-trap foxes and coyotes during any open season for trapping them and
36 may, at any time, take live foxes from their preserves for sale to other licensed operators. The
37 controlled hunting preserve operator license may be purchased for a fee of ~~fifty dollars (\$50.00),~~
38 one hundred dollars (\$100.00) and is an annual license issued beginning 1 July each year running
39 until the following 30 June.

40 (h) Game Bird Propagation License. – No person may propagate game birds in captivity
41 or possess game birds for propagation without first procuring a license under this subsection. The
42 Wildlife Resources Commission may by rule prescribe the activities to be covered by the
43 propagation license, which species of game birds may be propagated, and the manner of keeping
44 and raising the birds, in accordance with the overall objectives of conservation of wildlife
45 resources. Except as limited by this subsection, propagated game birds may be raised and sold
46 for purposes of propagation, stocking, food, or taking in connection with dog training as
47 authorized in G.S. 113-291.1(d). Migratory game bird operations authorized under this
48 subsection must also comply with any applicable provisions of federal law and rules. The
49 Wildlife Resources Commission may impose requirements as to shipping, marking packages,
50 banding, tagging, or wrapping the propagated birds and other restrictions designed to reduce the
51 change of illicit game birds being disposed of under the cover of licensed operations. The

1 Wildlife Resources Commission may make a reasonable charge for any bands, tags, or wrappers
2 furnished propagators. The game bird propagation license is issued by the Wildlife Resources
3 Commission upon payment of a fee of ~~five dollars (\$5.00)~~ ten dollars (\$10.00). It authorizes a
4 person or individual to propagate and sell game birds designated in the license, in accordance
5 with the rules of the Wildlife Resources Commission, except:

6 (1) Wild turkey and ruffed grouse may not be sold for food.

7 (2) Production and sale of pen-raised quail for food purposes is under the
8 exclusive control of the Department of Agriculture and Consumer Services.
9 The Wildlife Resources Commission, however, may regulate the possession,
10 propagation, and transportation of live pen-raised quail.

11 ...

12 (k) Taxidermy License. – Any individual who engages in ~~taxidermy~~ taxidermy, including
13 the tanning of hides, involving wildlife for any compensation, including reimbursement for the
14 cost of materials, must first procure a taxidermy license. This license is an annual license issued
15 by the Wildlife Resources Commission for ~~ten dollars (\$10.00)~~. ~~The Wildlife Resources~~
16 ~~Commission must require a licensee to keep records concerning any wildlife taken or possessed~~
17 ~~by him; to keep records of the names and addresses of persons bringing him wildlife, the names~~
18 ~~and addresses of persons taking the wildlife if different, and other information concerning the~~
19 ~~origin of the wildlife; to inspect any applicable licenses or permits pertaining to the taking and~~
20 ~~possession of wildlife brought to him; to restrict him to taxidermy upon lawfully acquired~~
21 ~~wildlife; and to keep other pertinent records.~~ fifty dollars (\$50.00). In addition to a taxidermy
22 license, license holders engaging in taxidermy of any species of the family Cervidae must also
23 obtain a taxidermy cervid certification issued by the Wildlife Resources Commission for five
24 dollars (\$5.00), the proceeds of which shall be used to fund the Cervid Health Cooperator
25 Program and for other chronic wasting disease surveillance. The Wildlife Resources Commission
26 is authorized by rule to set standards and reporting requirements for taxidermy licenses and
27 certifications. No taxidermist subject to license requirements may sell any game or game fish in
28 which he deals except that a taxidermist may acquire a valid possessory lien upon game or game
29 fish under the terms of Chapter 44A of the General Statutes and, with a trophy sale permit from
30 the ~~Executive Director, Wildlife Resources Commission,~~ may sell the game or game fish under
31 the procedure authorized in Chapter 44A. Wildlife acquired by a taxidermist is deemed "personal
32 property" for the purposes of Chapter 44A.

33 (l) Wildlife Control Agent License. – Any individual who engages in wildlife damage
34 control or wildlife removal activities, including bat eviction, for compensation, including
35 reimbursement for the cost of materials, shall first procure a wildlife control agent license. This
36 is an annual license issued by the Wildlife Resources Commission for fifty dollars (\$50.00). This
37 license shall not be required for licensed trappers taking wild animals during the established
38 trapping season for that species. The Wildlife Resources Commission is authorized by rule to set
39 standards for and to license wildlife control agents.

40 (m) Alligator Control Agent Certification. – In addition to the wildlife control agent
41 license, any individual who engages in alligator damage control or removal activities for
42 compensation, including reimbursement for the cost of materials, shall first procure an alligator
43 control agent certification. This is an annual certification issued by the Wildlife Resources
44 Commission for twenty-five dollars (\$25.00). The Wildlife Resources Commission is authorized
45 by rule to set standards for and to certify alligator control agents. This certification does not
46 include privileges conveyed with an endangered species permit. The endangered species permit
47 shall be obtained prior to conducting activities under the authorization of this certification."

48 **SECTION 6.(m)** G.S. 113-274 reads as rewritten:

49 **"§ 113-274. Permits.**

50 (a) As used in this Article, the word "permit" refers to a written authorization issued
51 ~~without charge~~ by an employee or agent of the Wildlife Resources Commission to an individual

1 ~~or a person~~ to conduct some activity over which the Wildlife Resources Commission has
 2 jurisdiction. Unless otherwise specified, permits are issued at no cost. When a more limited
 3 duration period is not set by the Executive Director, permits are valid through December 31 in
 4 any calendar year. When sale of wildlife resources is permitted, rules or the directives of the
 5 Executive Director may require the retention of invoices or copies of invoices in lieu of a permit.

6 (b) Except as otherwise specifically provided, no one may engage in any activity for
 7 which a permit is required without having first procured a current and valid permit.

8 (c) The Wildlife Resources Commission may issue the following permits:

9 ...

10 (1c) ~~Possession Permit – (\$10.00).~~ Permit – (\$10.00). Authorizes the possession of dead
 11 wildlife or other wildlife resources lawfully acquired. The Wildlife Resources
 12 Commission may by rule implement the issuance and supervision of this
 13 permit, in accordance with governing laws and rules respecting the possession
 14 of wildlife. Any substantial deviation from reasonable requirements imposed
 15 by rule or administratively under the authority of this section renders the
 16 possession of the wildlife unlawful.

17 ...

18 (3) ~~Exportation or Importation Permit – (\$10.00).~~ Permit – (\$10.00). Authorizes the
 19 exportation or importation of wildlife resources from or into the State or from
 20 county to county. The Wildlife Resources Commission may by rule
 21 implement the issuance and supervision of this permit, in accordance with
 22 governing laws and rules respecting the exportation and importation of
 23 wildlife resources. Any substantial deviation from reasonable requirements
 24 imposed by rule or administratively under the authority of this section renders
 25 the importation or exportation of the wildlife resources unlawful.

26 (3a) ~~Trophy Wildlife Sale Permit – (\$10.00).~~ Permit – (\$10.00). Authorizes the owner of
 27 lawfully taken and possessed dead wildlife specimens or their parts that are
 28 mounted, stuffed, or otherwise permanently preserved to sell identified
 29 individual specimens that may lawfully be sold under applicable laws and
 30 rules.

31 ...

32 (3d) Endangered Species Permit – (\$10.00). Authorizes the collection, possession,
 33 or survey of endangered species. The Wildlife Resources Commission may
 34 by rule set standards and requirements for this permit. The Wildlife Resources
 35 Commission may enact rules utilizing replacement costs of wildlife resources
 36 to offset the impact of collection, possession, or survey activities.

37 (3e) Field Trial Permit – (\$10.00). Authorizes an individual to hold a
 38 Commission-sanctioned field trial for dogs in accordance with governing laws
 39 and rules adopted and implemented by the Wildlife Resources Commission.

41 **SECTION 6.(n)** G.S. 113-275 reads as rewritten:

42 "**§ 113-275. General provisions respecting licenses and permits.**

43 (a) The Wildlife Resources Commission is authorized to make agreements with other
 44 jurisdictions as to reciprocal honoring of licenses in the best interests of the conservation of
 45 wildlife resources.

46 (a1) Notwithstanding the fees specified for nonresident individuals by G.S. 113-270.2,
 47 113-270.3, 113-270.4, 113-270.5, 113-271, ~~113-272,~~ 113-272.2, ~~and 113-273,~~ 113-273, or
 48 Wildlife Resources Commission rules, if the Wildlife Resources Commission finds that a state
 49 has a nonresident license fee related to wildlife resources that exceeds the fee for a comparable
 50 nonresident license in North Carolina, the Wildlife Resources Commission may, by resolution in

1 official session, increase the nonresident license fee applicable to citizens of that state to an
2 amount equal to the fee a North Carolina resident is required to pay in that state.

3 The action of the Wildlife Resources Commission to increase a fee pursuant to this subsection
4 is not subject to the provisions of Article 2A of Chapter 150B of the General Statutes. The action
5 of the Wildlife Resources Commission to increase a fee pursuant to this subsection becomes
6 effective on the date specified by the Wildlife Resources Commission.

7 ...

8 (k) A person may use a bow and arrow to take nongame fish in inland and joint fishing
9 waters subject to any applicable rule of the Wildlife Resources Commission regarding seasons,
10 creel limits, type of weapon or subsidiary gear, or any other restriction necessary for the
11 conservation of wildlife under the authority of the following licenses:

- 12 (1) All of the combination hunting and fishing licenses issued pursuant to
13 G.S. 113-270.1C;
- 14 (2) All of the sportsman licenses issued pursuant to G.S. 113-270.1D;
- 15 (3) The hunting licenses issued pursuant to G.S. 113- 270.2(c)(1), (2), (3), (5),
16 and (6);
- 17 (4) The hook-and-line fishing licenses issued pursuant to ~~G.S. 113-271(d)(1),(2),~~
18 G.S. 113-271(d)(2), (3), (4), (5), (6), (8), and (9); and
- 19 (5) All of the special device fishing licenses issued pursuant to G.S. 113-272.2."

20 **SECTION 6.(o)** G.S. 113-276 reads as rewritten:

21 "**§ 113-276. Exemptions and exceptions to license and permit requirements.**

22 ...

23 (d) Except as otherwise provided in this Subchapter, individuals under 16 years of age
24 are exempt from the hunting and trapping license requirements of G.S. 113-270.1B(a) and
25 ~~G.S. 113-270.3(a), G.S. 113-270.3,~~ except that such individuals are not exempt from the
26 American alligator licenses established in G.S. 113-270.3(b)(6) and G.S. 113-270.3(b)(7), elk
27 licenses established in G.S. 113-270.3(b)(8) and G.S. 113-270.3(b)(9), and the falconry license
28 described in G.S. 113-270.3(b)(4). Individuals under 16 may hunt under this exemption, provided
29 that the hunter is accompanied by an adult of at least 18 years of age who is licensed to hunt in
30 this State. For purposes of this section, "accompanied" means that the licensed adult maintains a
31 proximity that enables the adult to monitor the activities of the hunter by remaining within sight
32 and hearing distance at all times without use of electronic devices. Upon successfully obtaining
33 the hunter education certificate of competency required by G.S. 113-270.1A(a), a hunter may
34 hunt under the license exemption until age 16 without adult accompaniment. Individuals under
35 16 years of age are exempt from the fishing license requirements of G.S. 113-270.1B(a),
36 113-272, and 113-271.

37 ...

38 (l2) A resident of this State who is a member of the Armed Forces of the United States
39 serving outside the State, or who is serving on full-time active military duty outside the State in
40 a reserve component of the Armed Forces of the United States as defined in 10 U.S.C. 10101, is
41 exempt from the hunting and fishing license requirements of G.S. 113-270.1B,
42 G.S. 113-270.3(b)(1), G.S. 113-270.3(b)(3), G.S. 113-270.3(b)(5), G.S. 113-271, ~~G.S. 113-272,~~
43 G.S. 113-272.2(c)(1), and the Coastal Recreational Fishing License requirements of
44 G.S. 113-174.2 while that person is on leave in this State for 30 days or less. In order to qualify
45 for the exemption provided under this subsection, the person shall have on his or her person at
46 all times during the hunting or fishing activity the person's military identification card and a copy
47 of the official document issued by the person's service unit confirming that the person is on
48 authorized leave from a duty station outside this State.

49 A person exempted from licensing requirements under this subsection is responsible for
50 complying with any reporting requirements prescribed by rule of the Wildlife Resources
51 Commission, complying with the hunter education requirements of G.S. 113-270.1A, purchasing

1 any federal migratory waterfowl stamps as a result of waterfowl hunting activity, and complying
2 with any other requirements that the holder of a North Carolina license is subject to.

3 (m) The fourth day of July of each year is declared a free fishing day to promote the sport
4 of fishing and no hook-and-line fishing license is required to fish in any of the public waters of
5 the State on that day. All other laws and rules pertaining to hook-and-line fishing apply.

6 (n) The Wildlife Resources Commission may adopt rules to exempt individuals from the
7 hunting and fishing license requirements of G.S. 113-270.1B, 113-270.3(b)(1),
8 113-270.3(b)(1a), 113-270.3(b)(1b), 113-270.3(b)(2), 113-270.3(b)(3), 113-270.3(b)(5),
9 113-271, ~~113-272~~, and 113-272.2(c)(1) who participate in organized hunting and fishing events
10 for the specified time and place of the event when the purpose of the event is consistent with the
11 conservation objectives of the Commission. A person exempted from licensing requirements
12 under this subsection is responsible for complying with any reporting requirements prescribed
13 by rule of the Wildlife Resources Commission, purchasing any federal migratory waterfowl
14 stamps as a result of waterfowl hunting activity, and complying with any other requirements that
15 the holder of a North Carolina license is subject to. Those exempted persons shall comply with
16 the hunter safety requirements of G.S. 113-270.1A or shall be accompanied by a properly
17 licensed adult who maintains a proximity to the license exempt individual which enables the
18 adult to monitor the activities of, and communicate with, the individual at all times."

19 **SECTION 6.(p)** G.S. 113-276.1 reads as rewritten:

20 **"§ 113-276.1. Regulatory authority of Wildlife Resources Commission as to license**
21 **requirements and exemptions.**

22 In its discretion and in accordance with the best interests of the conservation of wildlife
23 resources, the Wildlife Resources Commission may implement the provisions of this Article with
24 rules that:

- 25 (1) [Reserved.]
- 26 (2) Regulate license requirements and exemptions applying to the taking of
27 wildlife on particular waters forming or lying across a county boundary where
28 there may be confusion as to the location of the boundary, hardship imposed
29 as to the location of the boundary, or difficulty of administering or enforcing
30 the law with respect to the actual boundary location.
- 31 (3) Require persons subject to license requirements, and persons exempt from
32 license requirements, to carry, display, or produce identification that may be
33 necessary to substantiate the person's entitlement to a particular license or to
34 a particular exemption from license requirements.
- 35 (4) Require individuals aboard vessels or carrying weapons or other gear that may
36 be used to take wildlife resources, and in an area at a time wildlife resources
37 may be taken, to exhibit identification that includes the individual's name and
38 current address. More than one piece of identification, including a vehicle
39 driver license, may be required to be exhibited, if available.
- 40 (5) Implement a system of tagging and reporting fur-bearing animals and big
41 game. Upon the implementation of a tagging system for any species of
42 fur-bearing animal, the Wildlife Resources Commission may charge a
43 reasonable fee to defray its ~~costs, not to exceed two dollars twenty five cents~~
44 ~~(\$2.25) per tag, costs~~ for each tag furnished. The price of the big game hunting
45 license includes the cost of big game tags."

46 **SECTION 6.(q)** G.S. 113-276.2 reads as rewritten:

47 **"§ 113-276.2. Licensees and permittees subject to administrative control; refusal to issue**
48 **or reissue, suspension, and revocation of their licenses and permits; court orders**
49 **of suspension.**

- 50 (a) This section applies to the administrative control of:

- 1 (1) Persons, other than individual hunters and fishermen taking wildlife as
 2 sportsmen, holding permits under this Article;
 3 (2) Individuals holding special device licenses under G.S. 113-272.2(c)(1), (1a),
 4 (2), and (2a);
 5 (3) Individuals holding collection licenses under G.S. 113-272.4;
 6 (4) Individuals holding captivity licenses under G.S. 113-272.5 and
 7 G.S. 113-272.6; and
 8 (5) Persons holding ~~dealer~~ licenses under G.S. 113-273.
 9"

11 TRAPPER IDENTIFICATION NUMBERS

12 **SECTION 7.** G.S. 113-291.6(b) reads as rewritten:

13 "(b) No one may take wild animals by trapping with any steel-jaw, leghold, or conibear
 14 trap unless it:

- 15 (1) Has a jaw spread of not more than seven and one-half inches.
 16 (2) Is horizontally offset with closed jaw spread of at least three sixteenths of an
 17 inch for a trap with a jaw spread of more than five and one-half inches. This
 18 subdivision does not apply if the trap is set in the water with quick-drown type
 19 of set.
 20 (3) Is smooth edged and without teeth or spikes.
 21 (4) Has a weather-resistant permanent tag attached legibly giving the trapper's
 22 name and ~~address~~address or the trapper's trapper identification number
 23 provided by the Wildlife Resources Commission and the Wildlife Resources
 24 Commission's telephone number to report wildlife violations. If a trapper
 25 places a trap on the property of another that gives the trapper's trapper
 26 identification number instead of the trapper's name and address, the Wildlife
 27 Resources Commission shall disclose the identity of the trapper to the
 28 landowner upon the landowner's request.

29 A steel-jaw or leghold trap set on dry land with solid anchor may not have a trap chain longer
 30 than eight inches from trap to anchor unless fitted with a shock-absorbing device approved by
 31 the Wildlife Resources Commission."
 32

33 ENFORCEMENT AUTHORITY FOR WRC INSPECTORS AND PROTECTORS

34 **SECTION 8.(a)** G.S. 106-202.15 reads as rewritten:

35 "**§ 106-202.15. Powers and duties of the Board.**

36 The Board shall have all of the following powers and duties:

- 37 ...
 38 (10) To cooperate or enter into formal agreements with any agency of this State or
 39 of any other state or of the federal government for the purpose of enforcing
 40 any of the provisions of this Article.

41"

42 **SECTION 8.(b)** G.S. 113-136 reads as rewritten:

43 "**§ 113-136. Enforcement authority of inspectors and protectors; refusal to obey or allow**
 44 **inspection by inspectors and protectors.**

45 (a) Inspectors and protectors are granted the powers of peace officers anywhere in this
 46 State, and beyond its boundaries to the extent provided by law, in enforcing all matters within
 47 their respective subject-matter jurisdiction as set out in this section.

48 (b) The jurisdiction of inspectors extends to all matters within the jurisdiction of the
 49 Department set out in this Subchapter, Part 5D of Article 7 of Chapter 143B of the General
 50 Statutes, Article 5 of Chapter 76 of the General Statutes, and Article 2 of Chapter 77 of the
 51 General Statutes, and to all other matters within the jurisdiction of the Department which it directs

1 inspectors to enforce. In addition, inspectors have jurisdiction over all offenses involving
2 property of or leased to or managed by the Department in connection with the conservation of
3 marine and estuarine resources.

4 (c) The jurisdiction of protectors extends to all matters within the jurisdiction of the
5 Wildlife Resources Commission, whether set out in this Chapter, Chapter 75A, Chapter 143,
6 Chapter 143B, or elsewhere. The Wildlife Resources Commission is specifically granted
7 jurisdiction over all aspects of:

- 8 (1) Boating and water safety;
- 9 (2) Hunting and trapping;
- 10 (3) Fishing, exclusive of fishing under the jurisdiction of the Marine Fisheries
11 Commission; and
- 12 (4) Activities in woodlands and on inland waters governed by G.S. 106-908 to
13 G.S. 106-910.

14 In addition, protectors have jurisdiction over all offenses involving property of or leased by the
15 Wildlife Resources Commission or occurring on wildlife refuges, game lands, or boating and
16 fishing access areas managed by the Wildlife Resources Commission. The authority of protectors
17 over offenses on public hunting grounds is governed by the jurisdiction granted the Commission
18 in G.S. 113-264(c).

19 (c1) Inspectors and protectors have jurisdiction to enforce the provisions of Article 19B of
20 Chapter 106 of the General Statutes pursuant to and within the parameters of a formal agreement
21 entered into under G.S. 106-202.15(10).

24 BEAVER MANAGEMENT ASSISTANCE PROGRAM CHANGES

25 SECTION 9. G.S. 113-291.10 reads as rewritten:

26 "§ 113-291.10. Beaver Damage Control Advisory Board.

27 (a) There is established the Beaver Damage Control Advisory Board. The Board shall
28 consist of nine members, as follows:

- 29 (1) The Executive Director of the North Carolina Wildlife Resources
30 Commission, or his designee, who shall serve as chair;
- 31 (2) The Commissioner of Agriculture, or a designee;
- 32 (3) The Assistant Commissioner of the North Carolina Forest Service of the
33 Department of Agriculture and Consumer Services, or a designee;
- 34 (4) The Director of the Division of Soil and Water Conservation of the
35 Department of Agriculture and Consumer Services, or a designee;
- 36 (5) ~~The Director of the North Carolina Cooperative Extension Service, or a~~
37 ~~designee;~~ A representative of the North Carolina Association of County
38 Commissioners;
- 39 (6) The Secretary of Transportation, or a designee;
- 40 (7) The State Director of the Wildlife Services Division of the Animal and Plant
41 Health Inspection Service, U.S. Department of Agriculture, or a designee;
- 42 (8) The President of the North Carolina Farm Bureau Federation, Inc., or a
43 designee, representing private landowners; and
- 44 (9) A representative of the North Carolina Forestry Association.

45 (b) The Beaver Damage Control Advisory Board shall develop a statewide program to
46 control beaver damage on private and public lands. The Beaver Damage Control Advisory Board
47 shall act in an advisory capacity to the Wildlife Resources Commission in the implementation of
48 the program. In developing the program, the Board shall:

- 49 (1) Orient the program primarily toward public health and safety and toward
50 landowner assistance, providing some relief to landowners through beaver
51 control and management rather than eradication;

- 1 (2) Develop a priority system for responding to complaints about beaver damage;
 2 (3) Develop a system for documenting all activities associated with beaver
 3 damage control, so as to facilitate evaluation of the program;
 4 (4) Provide educational activities as a part of the program, such as printed
 5 materials, on-site instructions, and local workshops; and
 6 (5) Provide for the hiring of personnel necessary to implement beaver damage
 7 control activities, administer the program, and set salaries of personnel.

8 No later than ~~March 15~~ December 1 of each year, the Board shall issue a report to the Wildlife
 9 Resources Commission, the Senate and House Appropriations Subcommittees on Natural and
 10 Economic Resources, and the Fiscal Research Division on the results of the program during the
 11 preceding year.

12 (c) The Wildlife Resources Commission shall implement the program, and may enter a
 13 cooperative agreement with the Wildlife Services Division of the Animal and Plant Health
 14 Inspection Service, United States Department of Agriculture, to accomplish the program.

15 (d) Notwithstanding G.S. 113-291.6(d) or any other law, it is lawful to use snares when
 16 trapping beaver pursuant to the beaver damage control program developed pursuant to this
 17 section. The provisions of Chapter 218 of the 1975 Session Laws; Chapter 492 of the 1951
 18 Session Laws, as amended by Chapter 506 of the 1955 Session Laws; and Chapter 1011 of the
 19 1983 Session Laws do not apply to trapping carried out in implementing the beaver damage
 20 control program developed pursuant to this section.

21 (e) In case of any conflict between G.S. 113-291.6(a) and G.S. 113-291.6(b) and this
 22 section, this section prevails.

23 (f) Each county that ~~volunteers wishes~~ to participate in this program for a given State
 24 fiscal year shall provide written notification of its wish to participate no later than ~~September 30~~
 25 ~~of that year~~ May 1 of the preceding fiscal year and shall ~~commit~~ remit the sum of ~~four six~~
 26 ~~thousand dollars (\$4,000) (\$6,000)~~ in local funds no later than ~~September 30 of that year~~ July
 27 31 of the fiscal year for which enrollment is sought. Funds, as appropriated for this program each
 28 fiscal year of the biennium, shall be paid from funds available to the Wildlife Resources
 29 Commission to provide the State share necessary to support this program, provided the sum of at
 30 least twenty-five thousand dollars (\$25,000) in federal funds is available each fiscal year of the
 31 biennium to provide the federal share."
 32

33 CHANGES TO REGULATION OF CERTAIN REPTILES

34 **SECTION 10.(a)** G.S. 14-417 reads as rewritten:

35 "**§ 14-417. Regulation of ownership or use of venomous reptiles.**

36 (a) It shall be unlawful for any person to own, possess, use, transport, or traffic in any
 37 venomous reptile that is not housed in a sturdy and secure enclosure. ~~Permanent enclosures~~
 38 Enclosures shall be designed to be escape-proof, bite-proof, and have an operable lock. ~~Transport~~
 39 ~~containers shall be designed to be escape-proof and bite-proof.~~

40 (b) Each enclosure shall be clearly and visibly labeled "Venomous Reptile Inside" with
 41 scientific name, common name, appropriate antivenin, and owner's identifying information noted
 42 on the container. A written bite protocol that includes emergency contact information, local
 43 animal control office, the name and location of suitable antivenin, first aid procedures, and
 44 treatment guidelines, as well as an escape recovery plan must be within sight of permanent
 45 housing, and a copy must accompany the transport of any venomous reptile.

46 (c) In the event of an escape of a venomous reptile, the owner or possessor of the
 47 venomous reptile shall immediately notify local law enforcement."

48 **SECTION 10.(b)** G.S. 14-417.1 reads as rewritten:

49 "**§ 14-417.1. Regulation of ownership or use of large constricting snakes.**

50 (a) As used in this Article, large constricting snakes shall mean: Reticulated Python,
 51 Python reticulatus; Burmese Python, Python molurus; African Rock Python, Python sebae;

1 Amethystine Python, *Morelia amethystina*; and Green Anaconda, *Eunectes murinus*; or any of
2 their subspecies or hybrids.

3 (b) It shall be unlawful for any person to own, possess, use, transport, or traffic in any of
4 the large constricting snakes that are not housed in a sturdy and secure enclosure. ~~Permanent~~
5 ~~enclosures~~ Enclosures shall be designed to be escape-proof and shall have an operable lock.
6 ~~Transport containers shall be designed to be escape-proof.~~

7 (c) Each enclosure shall be labeled clearly and visibly with the scientific name, common
8 name, number of specimens, and owner's identifying information. A written safety protocol and
9 escape recovery plan shall be within sight of permanent housing, and a copy shall accompany
10 the transport of any of the large constricting snakes. The safety protocol shall include emergency
11 contact information, identification of the local animal control office, and first aid procedures.

12 (d) In the event of an escape of a large constricting snake, the owner or possessor shall
13 immediately notify local law enforcement."

14 **SECTION 10.(c)** G.S. 14-417.2 reads as rewritten:

15 **"§ 14-417.2. Regulation of ownership or use of crocodylians.**

16 (a) All crocodylians, excluding the American alligator, shall be regulated under this
17 Article. It shall be unlawful for any person to own, possess, use, transport, or traffic in any
18 crocodylian that is not housed in a sturdy and secure enclosure. Permanent enclosures shall be
19 designed to be escape-proof and have a fence of sufficient strength to prevent contact between
20 an observer and the crocodylian and shall have an operable lock. Transport containers shall be
21 designed to be ~~escape-proof~~ escape-proof and shall be locked.

22 (b) A written safety protocol and escape recovery plan shall be within sight of permanent
23 housing, and a copy must accompany the transport of any crocodylian.

24 (c) In the event of the escape of a crocodylian, the owner or possessor shall immediately
25 notify local law enforcement."

26 **SECTION 10.(d)** G.S. 14-419 reads as rewritten:

27 **"§ 14-419. Investigation of suspected violations; seizure and examination of reptiles;
28 disposition of reptiles.**

29 (a) In any case in which ~~any a~~ law-enforcement officer or animal control officer has
30 probable cause to believe that any of the provisions of this Article have been or are about to be
31 violated, ~~it shall be the duty of the officer and the officer is authorized, empowered, and directed~~
32 authorized and empowered to immediately investigate the violation or impending violation and
33 to consult with representatives of the North Carolina Museum of Natural Sciences or the North
34 Carolina Zoological Park or a designated representative of ~~either the Museum or Zoological Park~~
35 the North Carolina Department of Natural and Cultural Resources to identify the species, assist
36 with determining interim disposition, and recommend appropriate and safe methods to handle
37 and seize the reptile or reptiles ~~involved, to seize the reptile or reptiles involved, and the officer~~
38 ~~is authorized and directed to deliver: (i) a reptile believed to be venomous to the North Carolina~~
39 ~~State Museum of Natural Sciences or to its designated representative for examination for the~~
40 ~~purpose of ascertaining whether the reptile is regulated under this Article; and, (ii) a reptile~~
41 ~~believed to be a large constricting snake or crocodylian to the North Carolina Zoological Park or~~
42 ~~to its designated representative for the purpose of ascertaining whether the reptile is regulated~~
43 ~~under this Article. In any case in which a law enforcement officer or animal control officer~~
44 ~~involved. In the case of escape, or if an officer, with probable cause to believe that reptile is being~~
45 owned, possessed, used, transported, or trafficked in violation of this Article, determines that
46 there is an immediate risk to officer safety or public safety, the officer shall not be required to
47 consult with representatives of the North Carolina Museum of Natural Sciences or the North
48 Carolina Zoological Park as provided by this subsection and may kill the reptile.

49 (b) ~~If~~ If, based on available information, the officer, the Museum or Museum, the
50 Zoological Park or their designated representatives find a designated representative of the
51 Department of Natural and Cultural Resources finds that a seized reptile is a venomous reptile,

1 large constricting snake, or crocodilian regulated under this Article, the Museum or the
 2 Zoological Park or ~~their designated representative~~ a designated representative of the Department
 3 of Natural and Cultural Resources shall determine ~~assist the officer with determining~~ an interim
 4 disposition of the reptile in a manner consistent with the safety of the public, until a final
 5 disposition is determined by a court of competent jurisdiction. In the case of a venomous reptile
 6 for which antivenin approved by the United States Food and Drug Administration is not readily
 7 available, the reptile may be euthanized unless the species is protected under the federal
 8 Endangered Species Act of 1973. Where ~~the Museum or the Zoological Park or their designated~~
 9 ~~representative determines~~ euthanasia is determined to be the appropriate interim disposition, or
 10 where a reptile seized pursuant to this Article dies of natural or unintended causes, the ~~Museum,~~
 11 ~~the Zoological Park, or their designated representatives~~ parties involved shall not be liable to the
 12 reptile's owner.

13 (b1) Upon conviction of any offense contained in this Article, the court shall order a final
 14 disposition of the confiscated venomous reptiles, large constricting snakes, or crocodilians,
 15 which may include the transfer of title to the State of North Carolina and shall include
 16 reimbursement by the owner for the ~~necessary~~ expenses incurred in the seizure, delivery, and
 17 storage thereof.

18 (c) ~~If the Museum or the Zoological Park or their designated representatives find that the~~
 19 ~~reptile is not a venomous reptile, large constricting snake, or crocodilian regulated under this~~
 20 ~~Article, and either no~~ criminal warrants, criminal citations, warrants, or indictments are initiated
 21 against the owner in connection with the reptile within 10 days of initial seizure, or a court of
 22 law determines that the reptile is not being owned, possessed, used, transported, or trafficked in
 23 violation of this Article, then it shall be the duty of the law enforcement officer to return the
 24 reptile or reptiles to the person from whom they were seized within 15 ~~days.~~ days of the seizure."

25 **SECTION 10.(e)** G.S. 14-420 is repealed.

26
 27 **DEFINE BAITED AREA FOR PURPOSES OF WILD TURKEY HUNTING**

28 **SECTION 11.** G.S. 113-291.1 reads as rewritten:

29 **"§ 113-291.1. Manner of taking wild animals and wild birds.**

30 ...
 31 (b) No wild animals or wild birds may be taken:

32 ...
 33 (2) With the use or aid of any artificial light, net, trap, snare, electronic or recorded
 34 animal or bird call, or fire, except as may be otherwise provided by statute[;]
 35 provided, however, that the Wildlife Resources Commission may adopt rules
 36 prescribing seasons and the manner of taking of wild animals and wild birds
 37 with the use of artificial light and electronic calls. No wild birds may be taken
 38 with the use or aid of salt, grain, fruit, or other bait. No black bear may be
 39 taken with the use or aid of any salt, salt lick, grain, fruit, honey, sugar-based
 40 material, animal parts or products, or other bait, except as provided by the
 41 rules of the Wildlife Resources Commission. However, no rule established by
 42 the Wildlife Resources Commission shall allow for the taking of a black bear
 43 with the use and aid of bear bait attractants, including scented sprays, aerosols,
 44 scent balls, and scent powders, and no rule established by the Wildlife
 45 Resources Commission shall allow for the taking of a black bear while it is
 46 consuming bait. No wild turkey may knowingly be taken from ~~an area within~~
 47 300 yards of any place in which bait has been placed until the expiration of 10
 48 days after the bait has been consumed or otherwise removed. The taking of
 49 wild animals and wild birds with poisons, drugs, explosives, and electricity is
 50 governed by G.S. 113-261, G.S. 113-262, and Article 22A of this Subchapter.

1 Upon finding that the placement of processed food products in areas
2 frequented by black bears is detrimental to the health of individual black bears
3 or is attracting and holding black bears in an area to the extent that the natural
4 pattern of movement and distribution of black bears is disrupted and bears'
5 vulnerability to mortality factors, including hunting, is increased to a level that
6 causes concern for the population, the Wildlife Resources Commission may
7 adopt rules to regulate, restrict, or prohibit the placement of those products
8 and prescribe time limits during which hunting is prohibited in areas where
9 those products have been placed.

10 Any person who is convicted of unlawfully taking bear with the use or aid
11 of any type of bait as provided by this subsection or by rules adopted pursuant
12 to this subsection is punishable as provided by G.S. 113-294(c1).
