30 no change in criminal history since the prior check from an applicant or key person who has
31 submitted to a criminal history record check in this or any other state within the previous 12
32 months. The Commission may not award a license to any applicant who has been convicted, or
33 a key person of the applicant has been convicted, of a felony or any gambling offense in any state
34 or federal court of the United States within 10 years of application or renewal.

35 (e) An applicant and key person for licensure shall consent to a criminal history record
36 check. Refusal to consent to a criminal history record check may constitute grounds for the
37 Commission to deny licensure.

38 (f) A person holding a service provider license or its equivalent, on the basis of
39 comparable licensing requirements issued to that person by a proper authority by another state or
40 territory of the United States or the District of Columbia if that jurisdiction's requirements for

31 (b) On application by an interested person, the Commission may issue a provisional
32 sports wagering supplier license to an applicant for a sports wagering supplier license. A
33 provisional license issued under this subsection allows the applicant for the sports wagering
34 supplier license to conduct business regarding the operation of sports wagering with a license
35 holder or applicant before the sports wagering supplier license is issued. A provisional license
36 issued under this subsection expires on the date provided by the Commission.
37 (c) A person may apply to the Commission for a sports wagering supplier license as
38 provided in this Article.

50 shareholders of the applicant, shall be waived from any information disclosure requests in
51 connection to the license application as determined by the Commission.

1 (f) Nothing in this Article shall require a person holding a sports wagering supplier
2 license or a temporary sports wagering supplier license be subject to, or required to obtain, any
3 additional license to offer the sports wagering services under this section.

4 **"§ 18C-908. Renewals of licenses.**

5 (a) Any license issued pursuant to this Article shall be valid for five years.

6 (b) At least 60 days prior to the expiration of a license, the license holder shall submit a
7 renewal application, on a form prescribed by the Commission, including a renewal fee of one
8 hundred thousand dollars (\$100,000) for an interactive sports wagering license, ten thousand
9 dollars (\$10,000) for a service provider license, and five thousand dollars (\$5,000) for a sports
10 wagering supplier license.

13 G.S. 18C-906(g).

14 (2) A violation of this Article.

15 (3) With respect to interactive sports wagering operators, the Commission finds
16 good cause to believe approval of another applicant would better meet the
17 objectives of this Article in generating revenue for the State, protecting the
18 public interest, and otherwise satisfying the criteria for issuance, and no
19 additional licenses are to be available under G.S. 18C-904(a).

49 G.S. 18C-910(b) to the Commission upon request.

50 (d) If a sports governing body has notified the Commission that real-time information

1 operators shall share with that sports governing body or its designee in real time, at the account
2 level, anonymized information regarding a wagerer, amount and type of wager, the time the
3 wager was placed, the location of the wager, and the IP address if applicable, outcome of the
4 wager, and records of abnormal sports wagering activity. For purposes of this subsection, real
5 time means on a commercially reasonable periodic interval, but in any event, not less than once
6 every 72 hours. A sports governing body receiving any information pursuant to this subsection
7 shall use the information for the purpose of integrity monitoring only and not for any commercial

36 "§ 18C-913. Reserved for future codification purposes.

37 "§ 18C-914. Integrity of competition and prohibited events.

38 (a) A sports governing body may submit to the Commission in writing a request to
39 restrict, limit, or exclude a certain type, form, or category of sports wagering with respect to
40 sporting events of such body, if the sports governing body believes that such type, form, or
41 category of sports wagering with respect to sporting events of such body may undermine the
42 integrity or perceived integrity of such body or sporting events of such body. The Commission
43 shall request comment from sports wagering operators on all such requests. After giving due
44 consideration to all comments received, the Commission shall, upon a demonstration of good
45 cause from the requestor that such type, form, or category of sports wagering is likely to
46 undermine the integrity or perceived integrity of such body or sporting events of such body, grant
47 the request. The Commission shall respond to a request concerning a particular event before the
48 start of the event, or if it is not feasible to respond before the start of the event, no later than seven
49 days after the request is made. If the Commission determines that the requestor is more likely
50 than not to prevail in successfully demonstrating good cause for its request, the Commission may
51 provisionally grant the request of the sports governing body until the Commission makes a final

1 determination as to whether the requestor has demonstrated good cause. Absent such a
2 provisional grant by the Commission, sports wagering operators may continue to offer sports
3 wagering on sporting events that are the subject of such a request during the pendency of the
4 Commission's consideration of the applicable request.

5 (b) The Commission and interactive sports wagering operators shall cooperate with
6 investigations conducted by sports governing bodies or law enforcement agencies, including
7 using commercially reasonable efforts to provide or facilitate the provision of sports wagering
8 information. All disclosures under this section are subject to an interactive sports wagering
9 operator's obligations to comply with all federal, State, and local laws and regulations, including
10 those relating to privacy and personally identifiable information.

11 (c) Interactive sports wagering operators are not required to use official league data for
12 determining any of the following:

13 (1) The results of tier one sports wagers on sporting events of any organization
14 whether headquartered in the United States or elsewhere.

15 (2) The results of tier two sports wagers on sporting events of organizations that
16 are not headquartered in the United States.

17 (d) A sports governing body may notify the Commission that it desires interactive sports
18 wagering operators to use official league data to settle tier two sports wagers on sporting events
19 of such sports governing body. Such notification shall be made in the form and manner as the
20 Commission may require. The Commission shall notify each interactive sports wagering operator
21 of a sports governing body's notification within five days of the Commission's receipt of such
22 notification. If a sports governing body does not so notify the Commission, an interactive sports
23 wagering operator is not required to use official league data for determining the results of tier
24 two sports wagers on sporting events of such sports governing body.

25 (e) Within 60 days of the Commission notifying each interactive sports wagering
26 operator of such a sports governing body notification to the Commission, or such longer period
27 as may be agreed between the sports governing body and the applicable interactive sports
28 wagering operator, interactive sports wagering operators shall use only official league data to
29 determine the results of tier two sports wagers on sporting events of that sports governing body,
30 unless any of the following apply:

31 (1) The sports governing body or its designee cannot provide a feed of official
32 league data to determine the results of a particular type of tier two sports
33 wager, in which case interactive sports wagering operators are not required to
34 use official league data for determining the results of the applicable tier two
35 sports wager until such time as such a data feed becomes available from the
36 sports governing body on commercially reasonable terms and conditions.

37 (2) An interactive sports wagering operator can demonstrate to the Commission
38 that the sports governing body or its designee will not provide a feed of official
39 league data to the interactive sports wagering operator on commercially
40 reasonable terms and conditions.

41 (3) The sports governing body or its designee does not obtain a license from the
42 Commission to provide official league data to interactive sports wagering
43 operators to determine the results of tier two sports wagers, if and to the extent
44 required by law.

45 (f) During the pendency of the Commission's determination as to whether a sports
46 governing body or its designee will provide a feed of official league data on commercially
47 reasonable terms, an interactive sports wagering operator is not required to use official league
48 data for determining the results of tier two sports wagers. The Commission's determination shall
49 be made within 60 days of the interactive sports wagering operator notifying the Commission
50 that it desires to demonstrate that the sports governing body or its designees will not provide a
51 feed of official league data to the sports wagering operator on commercially reasonable terms.

1 The following is a non-exclusive list of factors the Commission may consider in evaluating
2 whether official league data is being offered on commercially reasonable terms and conditions
3 for purposes of this subsection and subsections (d) and (e) of this section:

- 4 (1) The extent to which interactive sports wagering operators have purchased the
5 same or similar official league data on the same or similar terms, particularly
6 in jurisdictions where such purchase was not required by law, or was required
7 by law, but only if offered on commercially reasonable terms.
- 8 (2) The nature and quantity of the official league data, including its speed,
9 accuracy, reliability, and overall quality, as compared to comparable
10 non-official data.
- 11 (3) The quality and complexity of the process used to collect and distribute the
12 official league data as compared to comparable non-official data.
- 13 (4) The availability of a sports governing body's tier two official league data to an
14 interactive sports wagering operator from more than one authorized source.
- 15 (5) Market information, including price and other terms and conditions, regarding
16 the purchase by interactive sports wagering operators of comparable data for
17 the purpose of settling sports wagers in this State and other jurisdictions.
- 18 (6) The extent to which sports governing bodies or their designees have made data
19 used to settle tier two sports wagers available to interactive sports wagering
20 operators and any terms and conditions relating to the use of that data.
- 21 (7) Any other information the Commission deems relevant.

22 (g) Interactive sports wagering operators shall, as soon as practicable, report to the
23 Commission any information relating to abnormal betting activity or patterns that may indicate
24 a concern with the integrity of a sporting event or events, or any other conduct that corrupts a
25 sports wagering outcome of a sporting event or events for purposes of financial gain, including
26 match fixing. The interactive sports wagering operator making such a report shall also
27 simultaneously report such information to the relevant sports governing body.

5 succeeding calendar month. If the interactive sports wagering operator's accounting practices
6 necessitate corrections to a previously remitted tax, the interactive sports wagering operator shall
7 document such corrections when the interactive sports wagering operator pays the following
8 month's taxes.

9 (b) If the interactive sports wagering operator's adjusted gross revenue for a month is a
