SENATE BILL DRS35355-MGa-177

Short Title: Study & Abate Ocular Melanoma/Funds. (Public)

Sponsors: Senator Marcus (Primary Sponsor).

Referred to:

A BILL TO BE ENTITLED

AN ACT APPROPRIATING FUNDS TO STUDY AND ABATE OCULAR MELANOMA IN
NORTHERN MECKLENBURG COUNTY.

The General Assembly of North Carolina enacts:

SECTION 1. There is appropriated from the General Fund to the Department of Health and Human Services the sum of one hundred fifty thousand dollars (\$150,000) in nonrecurring funds for the 2022-2023 fiscal year to be allocated to the Nicholas School of the Environment at Duke University to study the potential causes of and solutions for abating ocular melanoma in the towns of Huntersville and Cornelius and the surrounding area. In conducting this study, the Nicholas School of the Environment at Duke University shall coordinate with the North Carolina Policy Collaboratory at the University of North Carolina at Chapel Hill (the Collaboratory) and employ the strategies recommended by the Collaboratory in its April 2020 report to the General Assembly under S.L. 2019-145.

SECTION 2. The Nicholas School of the Environment at Duke University, in cooperation with the Collaboratory, shall submit a report on the results of the study authorized by Section 1 of this act, including any proposed legislation, to the Joint Legislative Oversight Committee on Health and Human Services on or before December 1, 2023.

SECTION 3. This act becomes effective July 1, 2022.
