## May 7, 2024 A BILL TO BE ENTITLED 1 2 AN ACT TO ESTABLISH A PA LICENSURE COMPACT FOR THE LICENSURE OF 3 PHYSICIAN ASSISTANTS. 4 The General Assembly of North Carolina enacts: 5 **SECTION 1.(a)** Chapter 90 of the General Statutes is amended by adding a new 6 Article to read: 7 "Article 18J. 8 "PA Licensure Compact. 9 "§ 90-270.200. Purpose. 10 In order to strengthen access to Medical Services, and in recognition of the advances in the 11 delivery of Medical Services, the Participating States of the PA Licensure Compact have allied in common purpose to develop a comprehensive process that complements the existing authority 12 of State Licensing Boards to license and discipline PAs and seeks to enhance the portability of 13 License to practice as a PA while safeguarding the safety of patients. This Compact allows 14 Medical Services to be provided by PAs, via the mutual recognition of the Licensee's Qualifying 15 License by other Compact Participating States. This Compact also adopts the prevailing standard 16 17 for PA licensure and affirms that the practice and delivery of Medical Services by the PA occurs 18 where the patient is located at the time of the patient encounter, and therefore requires the PA to be under the jurisdiction of the State Licensing Board where the patient is located. State Licensing 19 20 Boards that participate in this Compact retain the jurisdiction to impose Adverse Action against a Compact Privilege in that State issued to a PA through the procedures of this Compact. The PA 21 22 Licensure Compact will alleviate burdens for military families by allowing active duty military 23 personnel and their spouses to obtain a Compact Privilege based on having an unrestricted 24 License in good standing from a Participating State. 25 "§ 90-270.201. Definitions. 26 The following definitions apply in this Compact: Adverse Action. - Any administrative, civil, equitable, or criminal action 27 (1)permitted by a State's laws which is imposed by a Licensing Board or other 28 authority against a PA License or License application or Compact Privilege 29 such as License denial, censure, revocation, suspension, probation, 30 monitoring of the Licensee, or restriction on the Licensee's practice. 31 32 Compact Privilege. - The authorization granted by a Remote State to allow a (2)33 Licensee from another Participating State to practice as a PA to provide Medical Services and other licensed activity to a patient located in the Remote 34 State under the Remote State's laws and regulations. 35
