42 and maintain the stay of execution during the 30-day time period for taking an appeal. If the
43 defendant appellant fails to make rental payments as provided in the undertaking within five

2 stipulation, in accordance with the judge's order.

3 (b) If the judgment in district court is against the defendant appellant and the defendant
4 appellant appeals the judgment, it is sufficient to stay execution of the judgment if the defendant
5 appellant posts a bond as provided in G.S. 42-34(b). No additional security under G.S. 1-292 is
6 required. If the defendant appellant previously filed an undertaking after appeal of the
7 magistrate's judgment and continues to pay periodic rent required by the prior undertaking after
8 the judgment from the district court, the continued periodic payments toward this undertaking
9 will satisfy this provision and maintain the stay of execution during the appeal. If the defendant
10 appellant fails to perfect the appeal or the appellate court upholds the judgment of the district
11 court, the execution of the judgment shall proceed. The clerk of court shall not disburse any rent

No such mortgage or deed of trust shall be cancelled or surrendered until the approval of the final account, unless substitution is permitted as provided in G.S. 28A-8-3(d).

- d.
