SENATE BILL DRS45546-LUa-153B

Short Title: Don't Zone Out Child Care. (Public)

Sponsors: Senators Chaudhuri and Burgin (Primary Sponsors).

Referred to:

1 A BILL TO BE ENTITLED
2 AN ACT TO PROTECT THE RIGHTS OF HOMEOWNERS AND TENANTS TO OPERATE
3 LICENSED FAMILY CHILD CARE HOMES BY LIMITING RESTRICTIONS BY
4 HOMEOWNERS ASSOCIATIONS, LANDLORDS, AND LOCAL GOVERNMENTS.

5 Whereas, licensed family child care homes are a vital component of North Carolina's
6 child care infrastructure, providing care for small groups of children in residential settings and
7 serving families who depend on accessible, community-based care; and

8 Whereas, homeowners associations, landlords, and local government zoning
9 regulations may impose restrictions that prevent qualified individuals who are homeowners or
10 tenants from opening or operating licensed family child care homes, thereby reducing the
11 availability of child care; and

12 Whereas, the State has a compelling interest in expanding child care access, and that
13 interest is served by ensuring that residential property owners and tenants can operate licensed
14 family child care homes without unreasonable interference from private covenants or restrictive
15 local zoning requirements; and

16 Whereas, licensed family child care homes are consistent with residential use and
17 shall be treated in zoning law as residential uses of property for purposes of land use regulation;
18 Now, therefore,

19 The General Assembly of North Carolina enacts:

20 **SECTION 1.** Chapter 110 of the General Statutes is amended by adding a new
