A BILL TO BE ENTITLED

AN ACT TO SUPPORT SMALL FARMERS IN NORTH CAROLINA BY PROVIDING  
GRANT FUNDING TO ENSURE THE FUTURE VIABILITY OF NORTH CAROLINA'S  
FAMILY FARMS.

The General Assembly of North Carolina enacts:

**SECTION 1.** Findings and Purpose. – The General Assembly finds that decades of barriers to entry, rising land prices, and economic consolidation have led to the loss of millions of acres of land farmed by small farmers. The General Assembly further finds that financial assistance through targeted grants can help address disparities and contribute to the long-term success of small farmers. The purpose of this act is to support the viability and sustainability of small farmers in North Carolina by providing financial assistance to support these farmers.

**SECTION 2.** Chapter 106 of the General Statutes is amended by adding a new Article to read:

"Article 61B.

2 their farming operations.

3 (b) Grants. – Grants from the Fund are subject to the following procedures and  
4 restrictions:

5 (1) An eligible individual seeking a grant shall submit an application on a form  
6 and in a manner approved by the Commissioner.

7 (2) The Commissioner may establish priorities for grants among all eligible  
8 individuals based on criteria that include farm size, income levels, and  
9 economic hardship, including lack of access to capital and operational  
10 support.

11 (3) The Commissioner may establish tiered maximum grant amounts based on  
12 financial hardship, demonstrated need, and other criteria the Department feels  
13 will maximize the ability of the Program to increase the long-term viability  
14 and sustainability of small farmers.

15 (4) The Commissioner may retain up to one percent (1%) of funds appropriated  
16 to the Fund for administrative costs related to administering the Program.
