14 ...

15 (c) Allowances for room and board in State educational institutions shall be at such a rate
16 as established by the Secretary of the Department of Military and Veterans Affairs.

17 (d) Within funds available for the Program, the following shall be determined:

18 Due to the sacrifice of veterans for the State of North Carolina and the unique needs and
19 challenges of the children of wartime veterans to ensure they have the greatest opportunities to
20 reach their higher education attainment goals, if there are additional eligible recipients, other than
21 those identified by the Department under this Program, who are attending public colleges and
22 universities of the State who may qualify to have their scholarships funded with monies from the
23 Escheat Fund, the Authority, after consultation with the Secretary, may fund those scholarships
24 with monies from the Escheat Fund.

25 (e) After consultation with the Authority, the Secretary shall determine whether to
26 prioritize the award of new applicants for the 2025-2026 academic year in Class I-A, I-B, and IV
27 scholarships, prior to awarding Class II and III scholarships. Class II and Class III awards may
28 be determined following awards for Class I-A, I-B, and IV depending on the availability of funds
29 for the Program.

30 (f) The Secretary, after consulting with the Authority, may determine based on the
31 number of eligible students, including new and renewal students, that have applied for the 2026-

35 (g) After the actions set forth in sub-subdivisions d., e., and f. of this subdivision have

40 (h) All scholarship notifications shall include language that the award of the scholarship
41 is contingent upon the availability of funds.

42 (i) The Authority shall disburse scholarship funds in accordance with G.S. 116-204(11a).

43 (j) From the total amount of funding appropriated to the Board of Governors of The

47 General Fund. The Authority shall place any unexpended and unencumbered appropriated funds
48 remaining at the end of the 2025-2026 and 2026-2027 fiscal years into an institutional trust fund

PART IX-C. CHILD AND FAMILY WELL-BEING [RESERVED]**PART IX-D. CHILD DEVELOPMENT AND EARLY EDUCATION****NC PRE-K PROGRAMS/STANDARDS FOR FOUR AND FIVE-STAR RATED FACILITIES**

SECTION 9D.1.(a) Eligibility. – The Department of Health and Human Services, Division of Child Development and Early Education, shall continue implementing the prekindergarten program (NC Pre-K). The NC Pre-K program shall serve children who are 4 years of age on or before August 31 of the program year. In determining eligibility, the Division shall establish income eligibility requirements for the program not to exceed seventy-five percent (75%) of the State median income. Up to twenty percent (20%) of children enrolled may have family incomes in excess of seventy-five percent (75%) of median income if those children have other designated risk factors. Furthermore, any age-eligible child who is a child of either of the following shall be eligible for the program: (i) an active duty member of the Armed Forces of the United States, including the North Carolina National Guard, State military forces, or a reserve component of the Armed Forces who was ordered to active duty by the proper authority within the last 18 months or is expected to be ordered within the next 18 months, or (ii) a member of the Armed Forces of the United States, including the North Carolina National Guard, State military forces, or a reserve component of the Armed Forces who was injured or killed while serving on active duty. Eligibility determinations for NC Pre-K participants may continue through local education agencies and local North Carolina Partnership for Children, Inc., partnerships.

Other than developmental disabilities or other chronic health issues, the Division shall not consider the health of a child as a factor in determining eligibility for participation in the NC Pre-K program.

SECTION 9D.1.(a1) Staff-To-Child Ratio and Class Size. – The classroom shall not exceed a maximum staff-to-child ratio of one to 10 with a maximum class size of 20 children, with at least one teacher and one teacher assistant per classroom. A classroom of 10 children or less shall have at least one teacher. The Child Care Commission shall adopt any rules and the Division of Child Development and Early Education shall revise any rules or policies necessary to implement the provisions of this subsection.

- 1 (6) The Department of Health and Human Services shall implement necessary
2 rule changes to restructure services, including, but not limited to, targeting
3 benefits to employment.

4 **SECTION 9D.2.(d)** Provisions of payment rates for child care providers in counties
5 that do not have at least 50 children in each age group for center-based and homebased care are
6 as follows:

- 7 (1) Except as applicable in subdivision (2) of this subsection, payment rates shall
8 be set at the statewide or regional market rate for licensed child care centers
9 and homes.
- 10 (2) If it can be demonstrated that the application of the statewide or regional
11 market rate to a county with fewer than 50 children in each age group is lower
12 than the county market rate and would inhibit the ability of the county to
13 purchase child care for low-income children, then the county market rate may
14 be applied.

15 **SECTION 9D.2.(e)** A market rate shall be calculated for child care centers and
16 homes at each rated license level for each county and for each age group or age category of
17 enrollees and shall be representative of fees charged to parents for each age group of enrollees
18 within the county. The Division of Child Development and Early Education shall also calculate
19 a statewide rate and regional market rate for each rated license level for each age category.

20 **SECTION 9D.2.(f)** Beginning July 1, 2026, the Department of Health and Human
21 Services, Division of Child Development and Early Education, shall increase the child care
22 subsidy market rates to the seventy-fifth percentile as recommended by the 2023 Child Care
23 Market Rate Study for children in three-, four-, and five-star-rated child care centers and homes.
24 The Department shall also implement a subsidy statewide floor rate based on the seventy-fifth
25 percentile of the 2021 Child Care Market Rate Study for children in three-, four-, and
26 five-star-rated child care centers and homes.

27 **SECTION 9D.2.(g)** The Division of Child Development and Early Education shall
28 continue implementing policies that improve the quality of child care for subsidized children,
29 including a policy in which child care subsidies are paid, to the extent possible, for child care in
30 the higher quality centers and homes only. The Division shall define higher quality, and subsidy
31 funds shall not be paid for one or two-star-rated facilities. For those counties with an inadequate
32 number of four and five-star-rated facilities, the Division shall continue a transition period that
33 allows the facilities to continue to receive subsidy funds while the facilities work on the increased
34 star ratings. The Division may allow exemptions in counties where there is an inadequate number
35 of four and five-star-rated facilities for non-star-rated programs, such as religious programs.

36 **SECTION 9D.2.(h)** Facilities licensed pursuant to Article 7 of Chapter 110 of the
37 General Statutes and facilities operated pursuant to G.S. 110-106 may participate in the program
38 that provides for the purchase of care in child care facilities for minor children of needy families.
39 Except as authorized by subsection (f) of this section, no separate licensing requirements shall
40 be used to select facilities to participate. In addition, child care facilities shall be required to meet
41 any additional applicable requirements of federal law or regulations. Child care arrangements
42 exempt from State regulation pursuant to Article 7 of Chapter 110 of the General Statutes shall
43 meet the requirements established by other State law and by the Social Services Commission.

44 County departments of social services or other local contracting agencies shall not
45 use a provider's failure to comply with requirements in addition to those specified in this
46 subsection as a condition for reducing the provider's subsidized child care rate.

47 **SECTION 9D.2.(i)** Payment for subsidized child care services provided with
48 Temporary Assistance for Needy Families Block Grant funds shall comply with all regulations
49 and policies issued by the Division of Child Development and Early Education for the subsidized
50 child care program.

1 **SECTION 9D.2.(j)** Non-citizen families who reside in this State legally shall be
2 eligible for child care subsidies if all other conditions of eligibility are met. If all other conditions
3 of eligibility are met, non-citizen families who reside in this State illegally shall be eligible for
4 child care subsidies only if at least one of the following conditions is met:

- 5 (1) The child for whom a child care subsidy is sought is receiving child protective
6 services or foster care services.
- 7 (2) The child for whom a child care subsidy is sought is developmentally delayed
8 or at risk of being developmentally delayed.
- 9 (3) The child for whom a child care subsidy is sought is a citizen of the United
10 States.

11 **SECTION 9D.2.(k)** The Department of Health and Human Services, Division of
12 Child Development and Early Education, shall require all county departments of social services
13 to include on any forms used to determine eligibility for child care subsidy whether the family
14 waiting for subsidy is receiving assistance through the NC Pre-K Program or Head Start.

15 **SECTION 9D.2.(l)** Department of Defense-certified child care facilities licensed
16 pursuant to G.S. 110-106.2 may participate in the State-subsidized child care program that
17 provides for the purchase of care in child care facilities for minor children in needy families,
18 provided that funds allocated from the State-subsidized child care program to Department of
19 Defense-certified child care facilities shall supplement and not supplant funds allocated in
20 accordance with G.S. 143B-168.15(g). Payment rates and fees for military families who choose
21 Department of Defense-certified child care facilities and who are eligible to receive subsidized
22 child care shall be as set forth in this section.

23 24 **CHILD CARE ALLOCATION FORMULA**

25 **SECTION 9D.3.(a)** The Department of Health and Human Services, Division of
26 Child Development and Early Education (Division), shall allocate child care subsidy voucher
27 funds to pay the costs of necessary child care for minor children of needy families. The
28 mandatory thirty percent (30%) North Carolina Partnership for Children, Inc., subsidy allocation
29 under G.S. 143B-168.15(g) shall constitute the base amount for each county's child care subsidy
30 allocation. The Department of Health and Human Services shall use the following method when
31 allocating federal and State child care funds, not including the aggregate mandatory thirty percent
32 (30%) North Carolina Partnership for Children, Inc., subsidy allocation:

- 33 (1) Funds shall be allocated to a county based upon the projected cost of serving
34 children under age 11 in families with all parents working who earn less than
35 the applicable federal poverty level percentage set forth in Section 9D.3(a) of
36 this act.
- 37 (2) The Division may withhold up to two percent (2%) of available funds from
38 the allocation formula for (i) preventing termination of services throughout
39 the fiscal year and (ii) repayment of any federal funds identified by counties
40 as overpayments, including overpayments due to fraud. The Division shall
41 allocate to counties any funds withheld before the end of the fiscal year when
42 the Division determines the funds are not needed for the purposes described
43 in this subdivision. The Division shall submit a report to the Joint Legislative
44 Oversight Committee on Health and Human Services and the Fiscal Research
45 Division, which report shall include each of the following:
 - 46 a. The amount of funds used for preventing termination of services and
47 the repayment of any federal funds.
 - 48 b. The date the remaining funds were distributed to counties.
 - 49 c. As a result of funds withheld under this subdivision and after funds
50 have been distributed, any counties that did not receive at least the

1 amount the counties received the previous year and the amount by
2 which funds were decreased.

3 The Division shall submit a report in each year of the 2025-2027 fiscal biennium 30
4 days after the funds withheld pursuant to this subdivision are distributed but no later than April
5 1 of each respective year.

- 6 (3) The Division shall set aside four percent (4%) of child care subsidy allocations
7 for vulnerable populations, which include a child identified as having special
8 needs and a child whose application for assistance indicates that the child and
9 the child's family is experiencing homelessness or is in a temporary living
10 situation. A child identified by this subdivision shall be given priority for
11 receiving services until such time as set-aside allocations for vulnerable
12 populations are exhausted.

13 **SECTION 9D.3.(b)** The Division may reallocate unused child care subsidy voucher
14 funds in order to meet the child care needs of low-income families. Any reallocation of funds
15 shall be based upon the expenditures of all child care subsidy voucher funding, including North
16 Carolina Partnership for Children, Inc., funds within a county. Counties shall manage service
17 levels within the funds allocated to the counties. A county with a spending coefficient over one
18 hundred percent (100%) shall submit a plan to the Division for managing the county's allocation
19 before receiving any reallocated funds.

20 **SECTION 9D.3.(c)** When implementing the formula under subsection (a) of this
21 section, the Division shall include the market rate increase in the formula process rather than
22 calculate the increases outside of the formula process. Additionally, the Department shall do the
23 following:

- 24 (1) Deem a county's initial allocation as the county's expenditure in the previous
25 fiscal year or a prorated share of the county's previous fiscal year expenditures
26 if sufficient funds are not available.
27 (2) Effective immediately following the next new decennial census data release,
28 implement (i) one-third of the change in a county's allocation in the year
29 following the data release, (ii) an additional one-third of the change in a
30 county's allocation beginning two years after the initial change under this
31 subdivision, and (iii) the final one-third change in a county's allocation
32 beginning the following two years thereafter.
33

51 management, general accounting, human resources, budgeting, purchasing, contracting, and

1 information systems management. The North Carolina Partnership for Children, Inc., shall
2 continue using a single statewide contract management system that incorporates features of the
3 required standard fiscal accountability plan described in G.S. 143B-168.12(a)(4). All local
4 partnerships are required to participate in the contract management system and, directed by the
5 North Carolina Partnership for Children, Inc., to collaborate, to the fullest extent possible, with
6 other local partnerships to increase efficiency and effectiveness.

8 the North Carolina Partnership for Children, Inc., shall set the maximum amount of State funds
9 that may be used for the salary of the Executive Director of the North Carolina Partnership for

17 Carolina Partnership for Children, Inc.

18 The salary schedule shall be used only to determine the maximum amount of State

- 34 (1) In consultation with representatives from county child support services
35 programs, identify how federal incentive funding could improve centralized
36 services.
- 37 (2) Use federal incentive funds to improve the effectiveness of the State's
38 centralized child support services by supplementing and not supplanting State

- 40 (3) Continue to develop and implement rules that explain the State process for

42 services programs.

43 **SECTION 9J.6.(b)** County Child Support Services Programs. – NCCSS shall
44 allocate no less than eighty-five percent (85%) of the annual federal incentive payments it

46 effectiveness and efficiency using the federal performance measures. To that end, NCCSS shall
47 do the following:

- 48 (1) In consultation with representatives from county child support services
49 programs, examine the current methodology for distributing federal incentive
50 funding to the county programs and determine whether an alternative formula

2 federal incentive funding until an alternative formula is adopted.

- 3 (2) Upon adopting an alternative formula, develop a process to phase in the
4 alternative formula for distributing federal incentive funding over a four-year
5 period.

6 **SECTION 9J.6.(c)** Reporting by County Child Support Services Programs. –

12 federal incentive funding.
13 (2) Report annually on the following: (i) how federal incentive funding has
14 improved program effectiveness and efficiency and been reinvested into their
15 programs, (ii) provide documentation that the funds were spent according to
16 their annual plans, and (iii) explain any deviations from their plans.

17 **SECTION 9J.6.(d)** Reporting by NCCSS. – NCCSS shall submit a report on federal
18 child support incentive funding to the Joint Legislative Oversight Committee on Health and
19 Human Services and the Fiscal Research Division by November 1 of each year. The report shall
20 describe how federal incentive funds enhanced centralized child support services to benefit
21 county child support services programs and improved the effectiveness and efficiency of county
22 child support services programs. The report shall further include any changes to the State process
23 that NCCSS used in calculating and distributing federal incentive funding to county child support
24 services programs and any recommendations for further changes.

25 26 **SUCCESSFUL TRANSITION/FOSTER CARE YOUTH**

27 **SECTION 9J.7.** The Foster Care Transitional Living Initiative Fund shall continue
28 to fund and support transitional living services that demonstrate positive outcomes for youth,
29 attract significant private sector funding, and lead to the development of evidence-based
30 programs to serve the at-risk population described in this section. The Fund shall continue to

33 outcome-based Transitional Living Services, (ii) identify cost-savings in social services and
34 juvenile and adult correction services associated with the provision of Transitional Living
35 Services to youth aging out of foster care, and (iii) take necessary steps to establish an
36 evidence-based transitional living program available to all youth aging out of foster care. In
37 continuing to implement these goals, the Foster Care Transitional Living Initiative Fund shall
38 support the following strategies:

- 39 (1) Transitional Living Services, which is an outcome-based program that follows
40 the Youth Villages Transitional Living Model. Outcomes on more than 7,000
41 participants have been tracked since the program's inception. The program has
42 been evaluated through an independent randomized controlled trial. Results
43 indicate that the Youth Villages Transitional Living Model had positive
44 impacts in a variety of areas, including housing stability, earnings, economic
45 hardship, mental health, and intimate partner violence in comparison to the
46 control population.
47 (2) Public-Private Partnership, which is a commitment by private-sector funding
48 partners to match at least twenty-five percent (25%) of the funds appropriated
49 to the Foster Care Transitional Living Initiative Fund for the 2025-2027 fiscal
50 biennium for the purposes of providing Transitional Living Services through

- 1 the Youth Villages Transitional Living Model to youth aging out of foster
- 2 care.
- 3 (3) Impact Measurement and Evaluation, which are services funded through
- 4 private partners to provide independent measurement and evaluation of the
- 5 impact the Youth Villages Transitional Living Model has on the youth served,
- 6 the foster care system, and on other programs and services provided by the
- 7 State which are utilized by former foster care youth.
- 8 (4) Advancement of Evidence-Based Process, which is the implementation and
- 9 ongoing evaluation of the Youth Villages Transitional Living Model for the

- 12 controlled trials may be conducted to advance the model.

GENERAL PROVISIONS

SECTION 9L.1.(b) Information to be Included in Block Grant Plans. – The Department of Health and Human Services shall submit a separate plan for each Block Grant received and administered by the Department, and each plan shall include the following:

- (1) A delineation of the proposed allocations by program or activity, including State and federal match requirements.
- (2) A delineation of the proposed State and local administrative expenditures.
- (3) An identification of all new positions to be established through the Block Grant, including permanent, temporary, and time-limited positions.
- (4) A comparison of the proposed allocations by program or activity with two prior years' program and activity budgets and two prior years' actual program or activity expenditures.
- (5) A projection of current year expenditures by program or activity.
- (6) A projection of federal Block Grant funds available, including unspent federal funds from the current and prior fiscal years.
- (7) The required amount of maintenance of effort and the amount of funds qualifying for maintenance of effort in the previous year delineated by program or activity.

SECTION 9L.1.(c) Changes in Federal Fund Availability. – If the Congress of the United States increases the federal fund availability for any of the Block Grants or contingency funds and other grants related to existing Block Grants administered by the Department of Health and Human Services from the amounts appropriated in this act, the Department shall allocate the increase proportionally across the program and activity appropriations identified for that Block Grant in this section. In allocating an increase in federal fund availability, the Office of State

1 Budget and Management shall not approve funding for new programs or activities not
2 appropriated in this act.

3 If the Congress of the United States decreases the federal fund availability for any of
4 the Block Grants or contingency funds and other grants related to existing Block Grants
5 administered by the Department of Health and Human Services from the amounts appropriated
6 in this act, the Department shall develop a plan to adjust the Block Grants based on reduced
7 federal funding.

8 Notwithstanding the provisions of this subsection, for fiscal years 2025-2026 and
9 2026-2027, increases in the federal fund availability for the Temporary Assistance to Needy
10 Families (TANF) Block Grant shall be used only for the North Carolina Child Care Subsidy
11 program to pay for child care and shall not be used to supplant State funds.

12 Prior to allocating the change in federal fund availability, the proposed allocation
13 must be approved by the Office of State Budget and Management. If the Department adjusts the
14 allocation of any Block Grant due to changes in federal fund availability, then a report shall be
15 made to the Joint Legislative Oversight Committee on Health and Human Services and the Fiscal
16 Research Division.

17 **SECTION 9L.1.(d)** Except as otherwise provided, appropriations from federal
18 Block Grant funds are made for each year of the fiscal biennium ending June 30, 2027, according
19 to the schedule enacted for State fiscal years 2025-2026 and 2026-2027, or until a new schedule
20 is enacted by the General Assembly.

21 **SECTION 9L.1.(e)** Except as otherwise provided in subsection (e1) of this section,
22 all changes to the budgeted allocations to the Block Grants or contingency funds and other grants
23 related to existing Block Grants administered by the Department of Health and Human Services
24 that are not specifically addressed in this section shall be approved by the Office of State Budget
25 and Management. The Office of State Budget and Management shall not approve funding for
26 new programs or activities not appropriated in this section. The Office of State Budget and
27 Management shall consult with the Joint Legislative Oversight Committee on Health and Human
28 Services for review prior to implementing any changes. In consulting, the report shall include an
29 itemized listing of affected programs, including associated changes in budgeted allocations. All
30 changes to the budgeted allocations to the Block Grants shall be reported immediately to the Joint
31 Legislative Oversight Committee on Health and Human Services and the Fiscal Research
32 Division. This subsection does not apply to Block Grant changes caused by legislative salary
33 increases and benefit adjustments.

34 **SECTION 9L.1.(e)** The Department of Health and Human Services shall have the
35 authority to realign appropriated funds under subsection (a) of this section for Item 01 or 02 in
36 the Maternal and Child Health Block Grant to maintain federal compliance and programmatic
37 alignment, so long as the realignment does not result in a reduction of funds designated for
38 subrecipients under subsection (a) of this section. The Department of Health and Human Services
39 is authorized to realign appropriated funds between the Maternal and Child Health Block Grant
40 categories as provided in this subsection without prior consultation with the Joint Legislative
41 Oversight Committee on Health and Human Services or without exceeding the total amount
42 appropriated for the items.

43 **SECTION 9L.1.(f)** Except as otherwise provided, the Department of Health and
44 Human Services shall have flexibility to transfer funding between the Temporary Assistance for
45 Needy Families (TANF) Block Grant and the TANF Emergency Contingency Funds Block Grant
46 so long as the total allocation for the line items within those Block Grants remains the same.
47
